Will Engas

Will (stupid),
this is one of
the rare moments
when I really don't know
what to say. (You must
admit this happens not very
often). You are the greatest
guy in this whole I stupid
school of ours. Well, now I have
only two days till I have to
leave. This will be very hard 'cause
I leave so many friends but fortunately
there are so many memories to take
home: one of them is you and "Man
of all seasons". And finally there are things
to look forward to. I hope I'll see you next year
falling from a horse. ha, ha! So long
P.S. Just read it again. sounds so
miss the right words! (stupid german girl '68)
stupid. I just

Good Luck to a great
long jumper next year
yours Jim Gault

To a really great quarterback who I hope
doesn't beat out my brother next year. Good
luck in the future in everything you do.

PRESENTING . . .

THIS OUR SCHOOL . . . THIS SSFHS

On you Warriors, on!

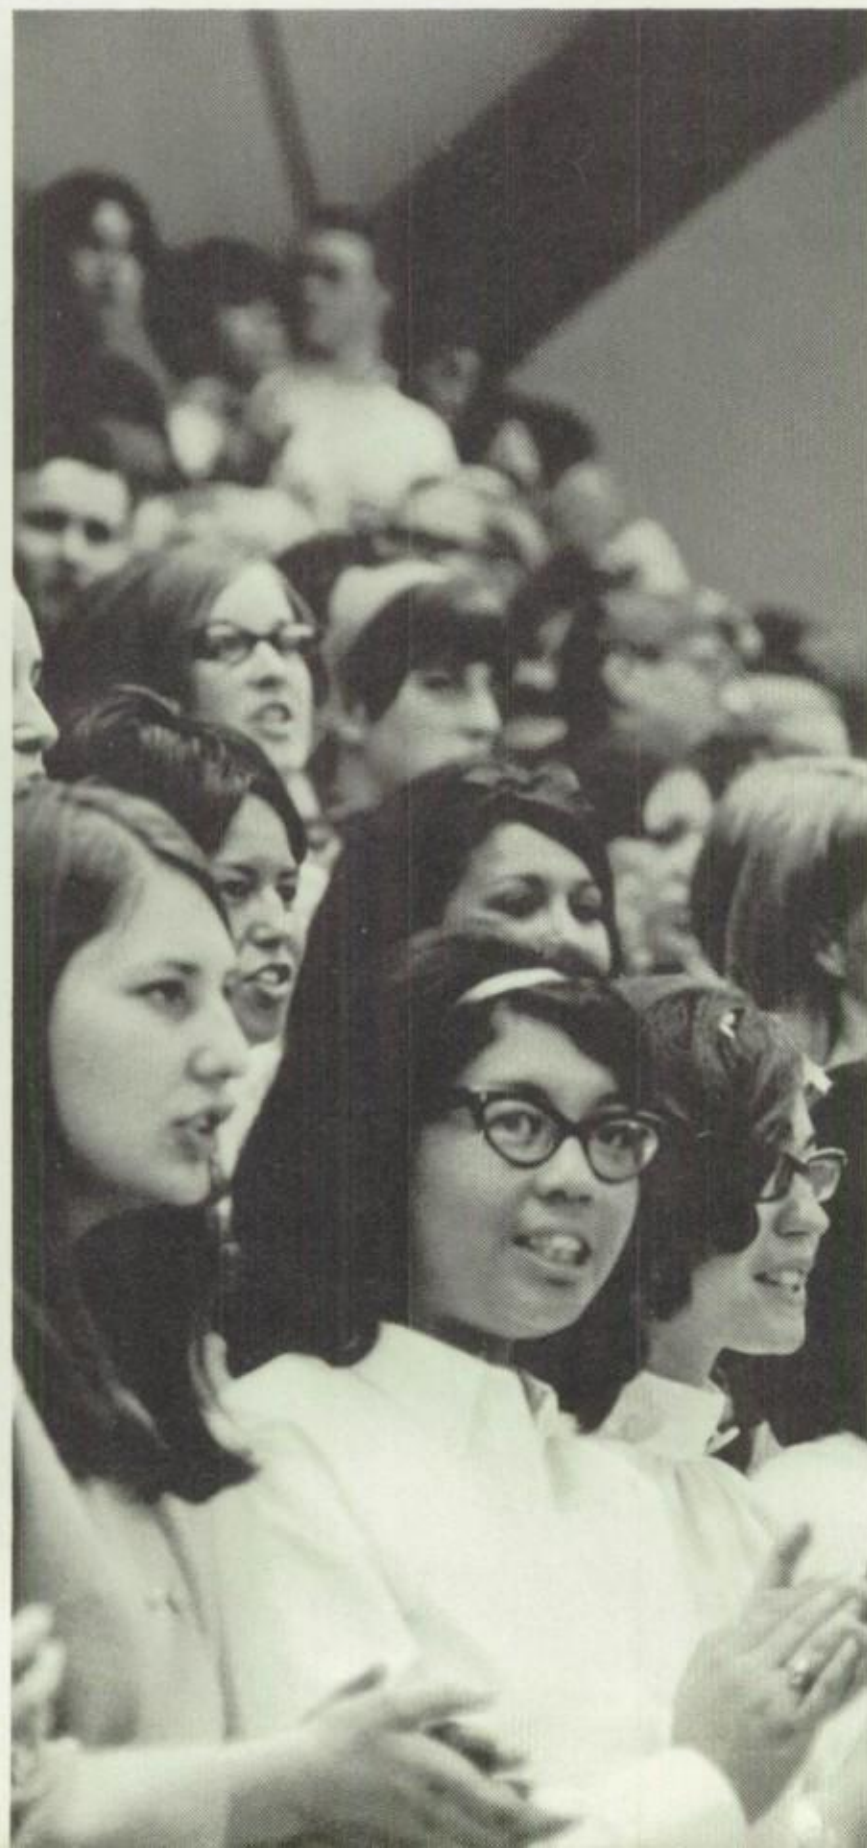

The hills of San Bruno is part of the setting of our school.

Is this any way to run a school? You bet it is! WARRIORS, always.

This Our School, a panorama of lives.

THIS OUR SCHOOL, THIS SSFHS . . . cognizance of the many challenges that lay ahead . . . a close knit community that soon found itself engaged in the serious pursuit of matters both academic and recreational.

Whether we were in class, on a field trip, or studying in the library, or even just getting to know one another—we began to relate to each area of this totally unique and exciting phase of life.

THIS OUR SCHOOL, THIS SSFHS . . . we are proud to be part of its traditions.

Vivid expressions—youth!

S.S.F.H.S. . . . A RESPECTED

It isn't easy to sit but the outcome is worth "educating" for.

In our classes, we struggled to sift the relative importance from what was being said, and at the same time, relate it to what we had read the night before. We began to search the value of knowledge and the search became exciting.

Some of us held part-time jobs. These duties enriched our sense of value toward our educational development. The relationships and experiences that were acquired by working together far exceeded any monetary gain.

To learn is to experience.

Read, absorb, learn . . . learn!

NAME IN OUR COMMUNITY

THIS OUR SCHOOL ... variety of learning experiences for 1500 students.

A tender moment to ease the rapid pace at school.

WE WOULD

The going is rough at times, but the end seems to brighten itself.

The year continued and with its progress, we developed a new awareness and purpose in our lives. There were times when we sought small and quiet places in which we could understand and communicate the deeper concerns that weighed upon our hearts and minds. Our sense of proportion and value deepened, just as poignant moments of an excellent drama held us suspended in the grip of the stark reality of life.

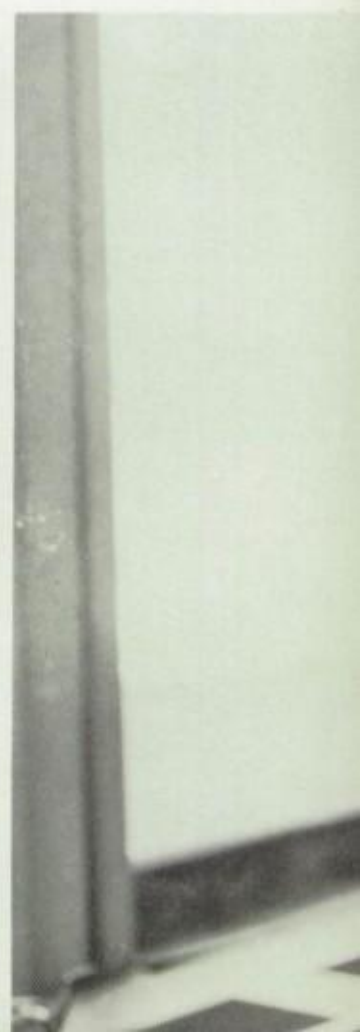

The faces at THIS OUR SCHOOL are varied, interesting, and intent. With all the undertakings to be assumed, SSFHS, our school, shares the spotlight to no one.

SAVOR AND ENJOY

No matter how gloomy days may sometimes be, things get brighter eventually.

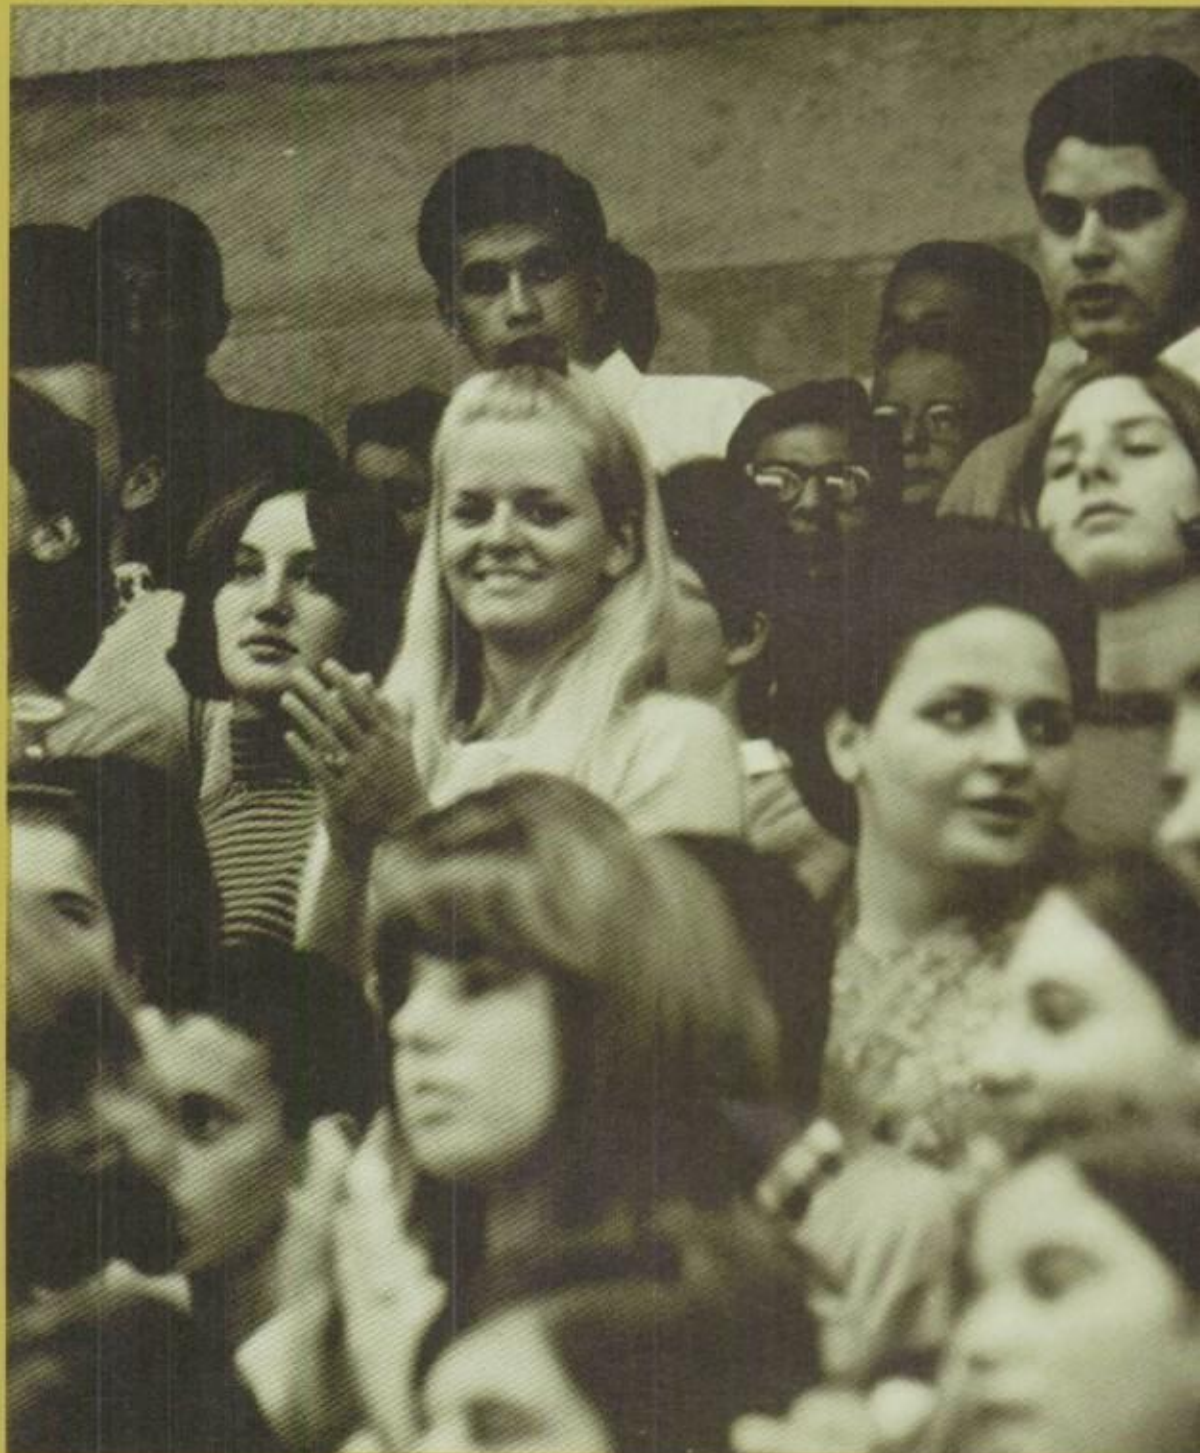

LEARN, TRY, PERSIST!

The light moments seem to be the best moments at school.

For what good is education if we cannot apply our existence?

Through our deepening knowledge and our search for truth, we came to know the greater values which exist in life. Great men and women instill in us the thirst for deeper self realization and fulfillment. The quality of our education, we began to see, would stand us in excellent stead as we approached a waiting world.

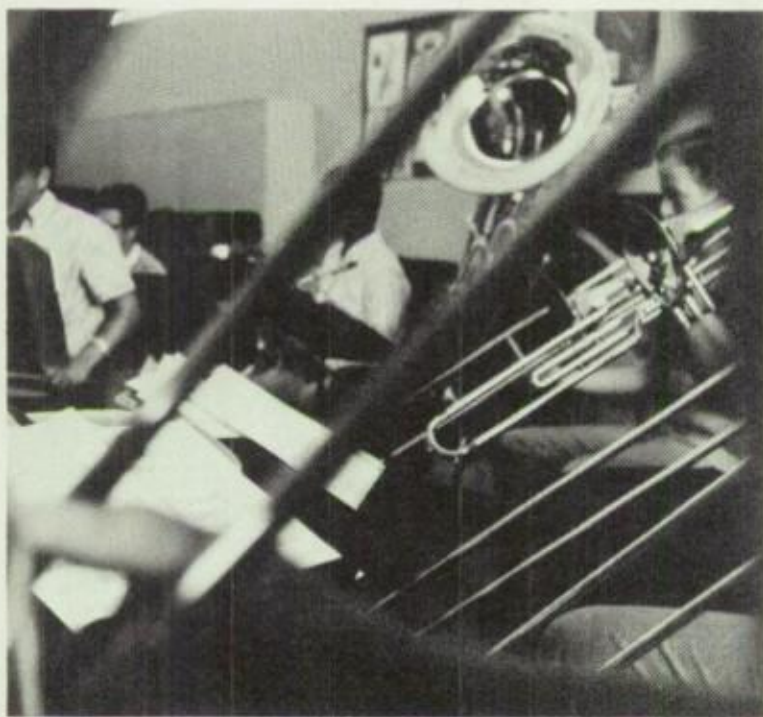

AND THE MORROW

The Seniors set the pace . . . the underclassmen observe, eager to duplicate their feats. The Senior Ball, an annual event looked forward by the senior members. *FRONT*: Jim Musbach, Nancy Baskin, Bebe DeAnda, Laura Oliver, Bruce Brian, Ron Rumble, Margaret Rozzi. *MIDDLE*: Rich Posner, Cathy Reuter, Doreen

IS OURS . . .

The experience was rich and varied. Some of us would continue, but others would leave the campus for new and exciting aspects of life.

Here, we had become persons—possessing worth and dignity and respect. We could face the world proudly with a strong mind and a clear eye. We were together for yet this little while and none could tell what future years would bring.

But we knew we were aided in our preparation to meet the challenges and demands of a weary and very needy world. We had not the strength ourselves, but knew the source upon whom we could depend.

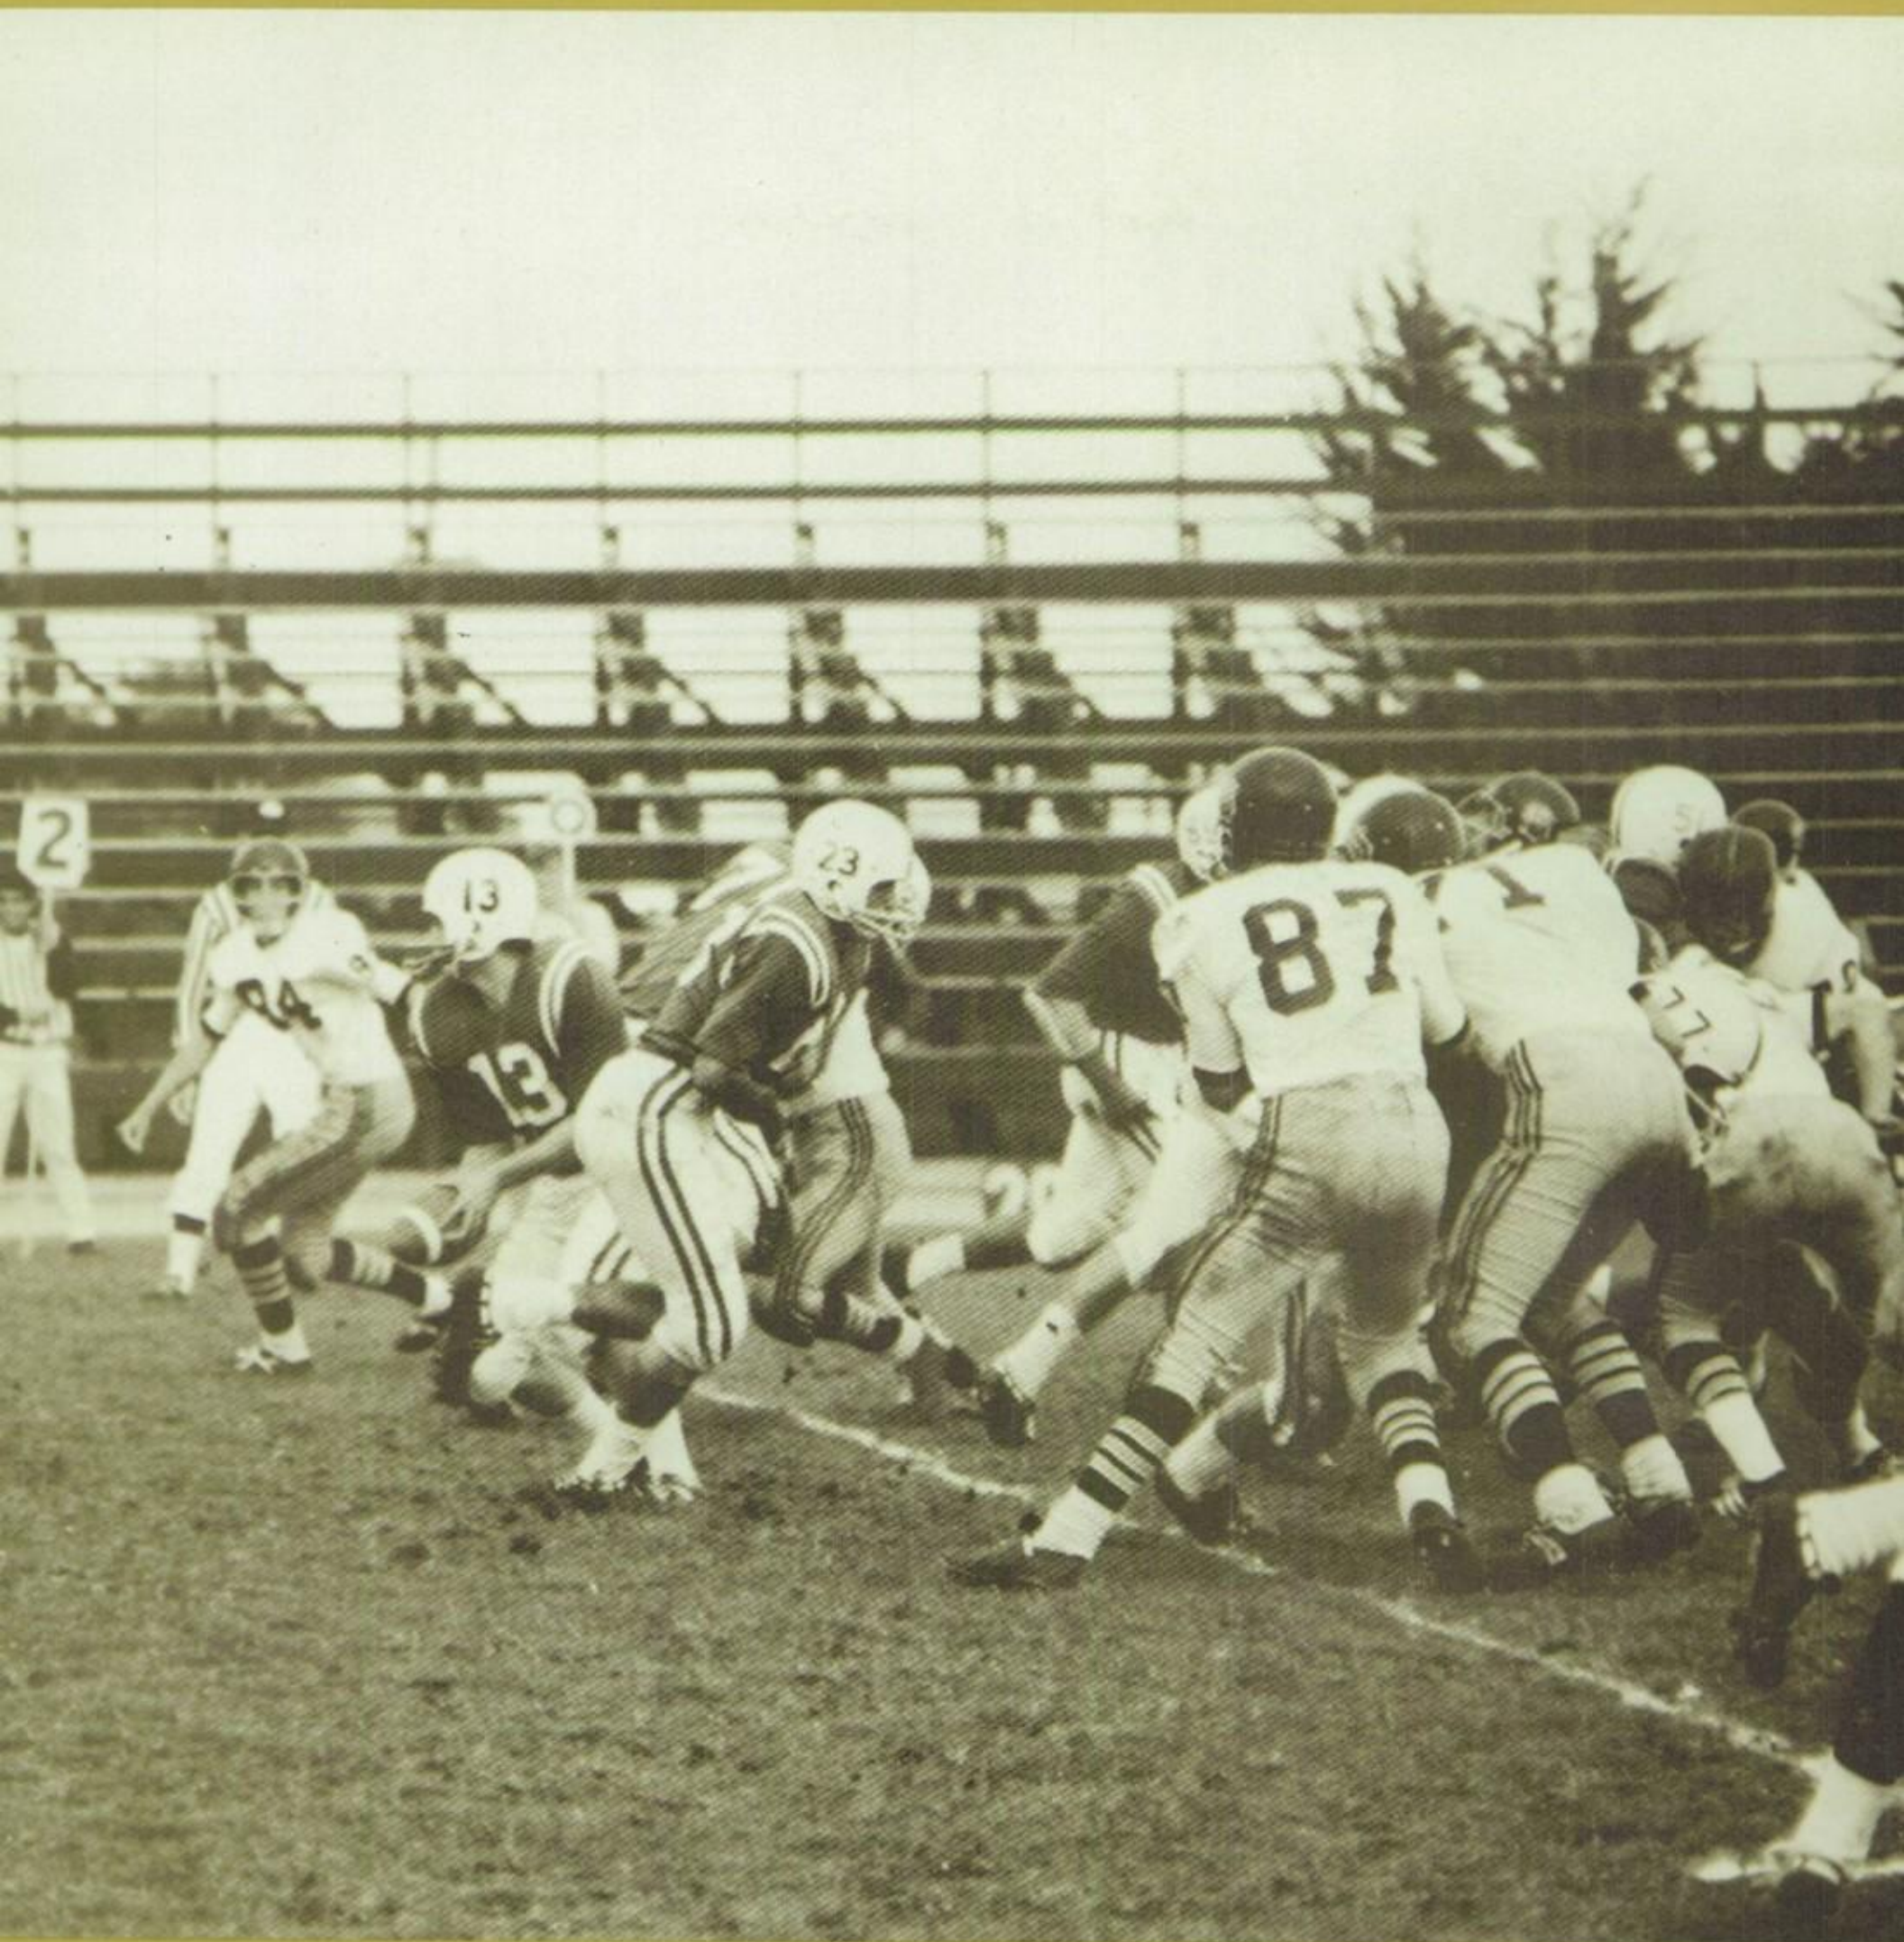

There were times when the
futility of life as expressed
by Shakespeare's Macbeth
seemed to be closing
in around us—

Out . . . out, brief candle!
Life's but a walking shadow,
a poor player -
that struts and frets
his hour upon the
stage

and then
is heard no more.
It is a tale
told by an idiot
full of sound and fury,
signifying nothing.

The excitement of football generates enthusiasm at THIS OUR SCHOOL.

WE ARE TOUGH

TRADITIONS AND MEMO

How does one describe emotions? A picture saves description.

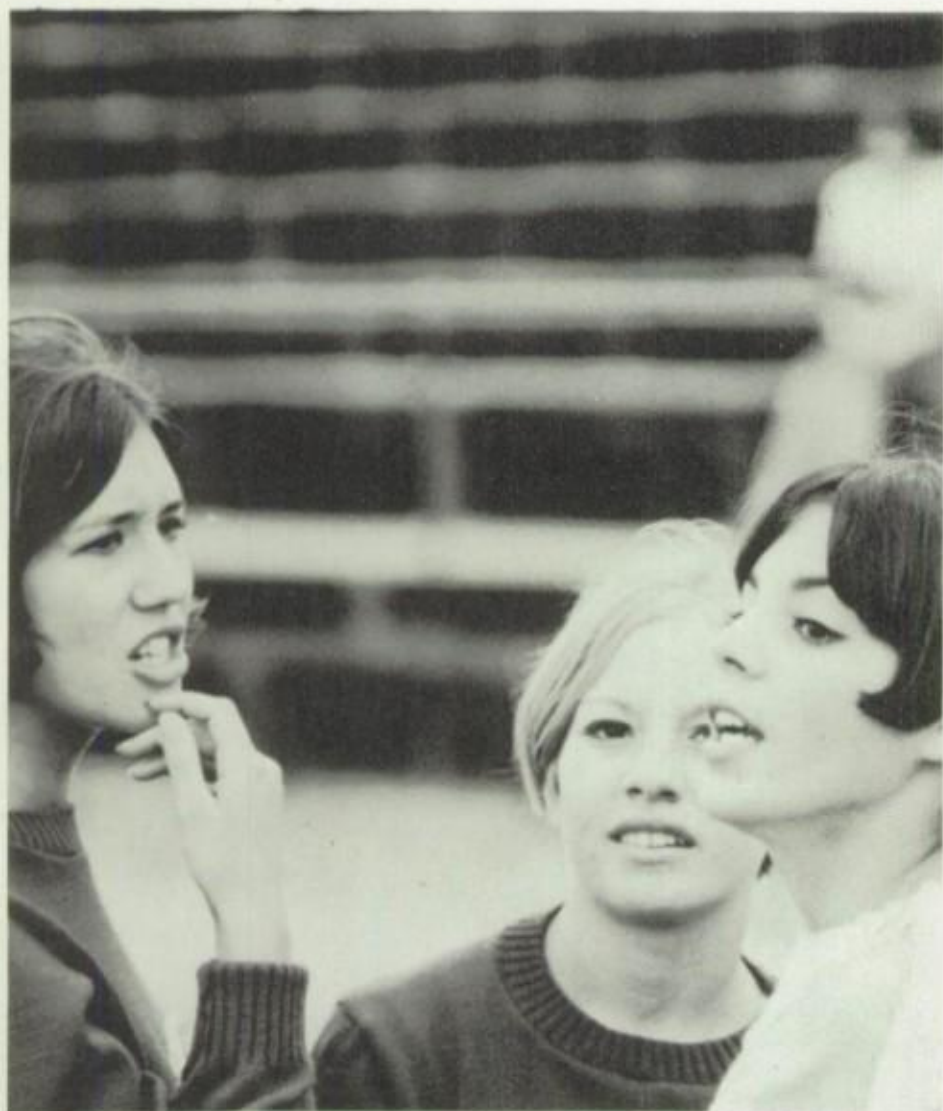

For now we know in part,
 and we prophesy in part.
 but when that which is perfect is come,
 then that which is in part
 shall be done away.

For now we see through a glass darkly
 than face to face . . .
 . . . now I know in part

but then shall I know
 even as also
 I am known.

RIES!

The Pep Prompters are the spirit boosters at all athletic functions. Sharp blue and white outfits not only "catches the eye" but make our Pep Prompters the finest in the area.

activities

Long hours of practice have certainly paid off—their routines delight all.

meister, Elaine Lenes, Patti Mann, Cathy Gonzales, Jenny Roach; missing, Diedra Walker.

Among the stronger programs at THIS OUR SCHOOL, THIS SSFHS, is the activity program solely for the benefit of the students. The activities are varied and are open to all student body members. Starting with student government and down to a committee chairman, the objective is the same—participation, experience, and growth for an individual.

The name of our school is well-known. The name of our school echos active participation be it in clubs, sports, or individual achievements throughout the Bay Area.

Activity, "an instance of being active; a sphere of action; as social activities."

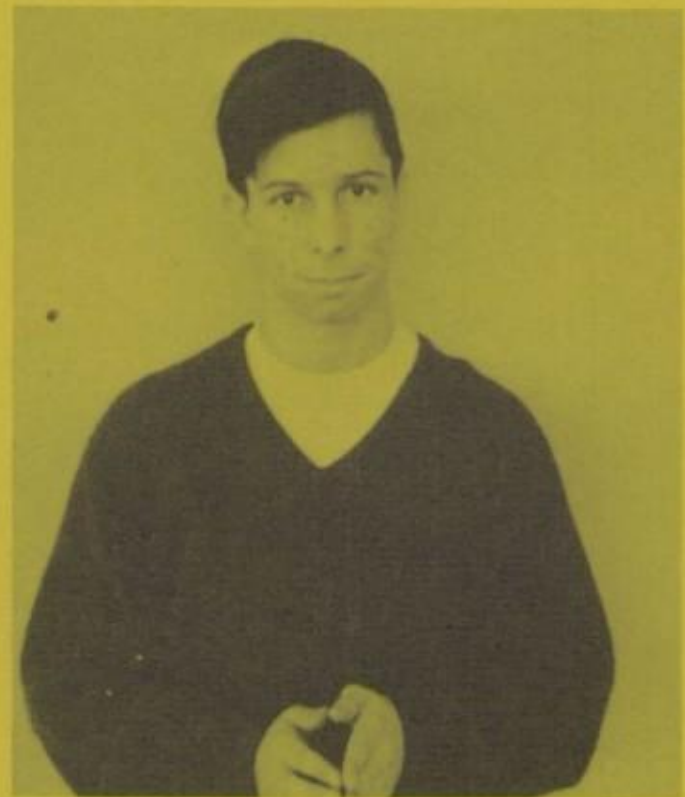

Activity and SSFHS are synonymous.

GOVERNMENT

Student Government, this year under the advisorship of Miss Kelly, proved that determination, dedication, and hard work equals success.

The many projects approached by Student Government were the purchasing of the marquee, renewing the family bond with its orphan, and setting an all time high by buying and collecting goods for the needy of S.S.F. at Christmas.

Through the cooperation of the cabinet, representatives, faculty, and the entire student body, this has been a good year.

The IRIS class of South San Francisco High School presents the 1967-68 IRIS, THIS . . . SSFHS.

The staff of the IRIS has worked long and hard discussing plans and ideas, drawing layouts, writing copy, taking pictures, and meeting deadlines.

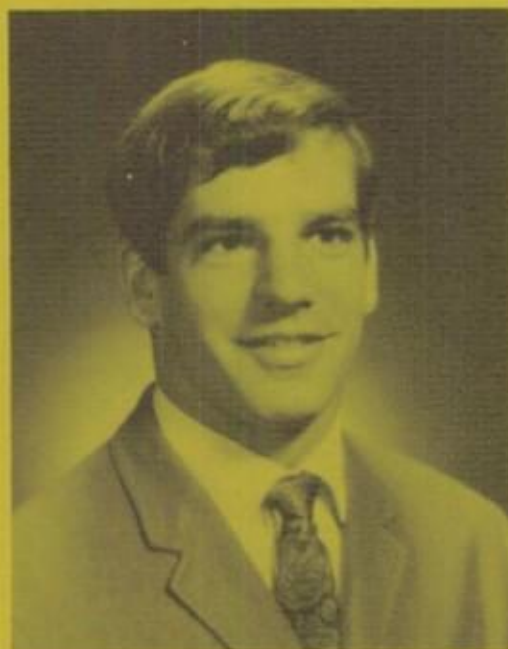

The IRIS class hopes you enjoy this year's IRIS and that the faculty, students, activities, and sports events, which make up THIS . . . SSFHS will long remain in your memories.

A special thanks to Russ Cottrell (alias Don Bosco) for taking pictures.

BUDDING JOURNALISTS MAKE ON-THE-SCENE COVERAGE OF THE SCHOOL

The *Warrior* enjoyed a very successful year under the leadership of advisor Mr. Peligrino and editor Richard Posner. For the first time in several years the paper was put on a sound financial basis. Circulation increased substantially. Most important, the quality of the writing in the paper was considered outstanding and it was a constant source of pride to all.

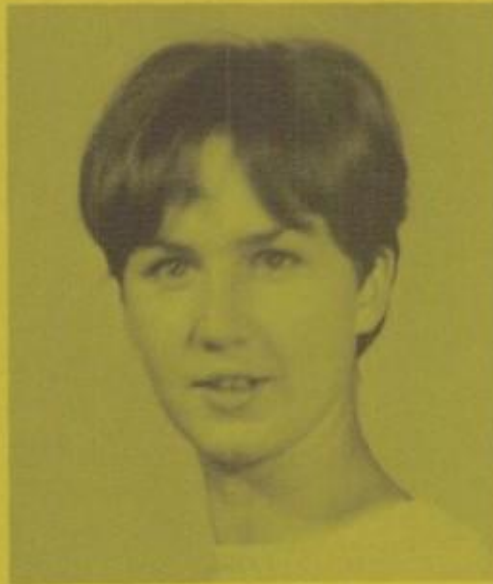

Not only were the regular features like *R.A.P. Knocks*, *Heap of the Week*, and *Student on the Go* present, but also many stories covering national and international affairs. The *Warrior* published a special issue in dedication to Mr. Louis Bagnall, who died this winter after being principal for twenty-one years. After the first semester the *Squawk* began publication again.

INTERNATIONAL LIVING FOR UNDERSTANDING

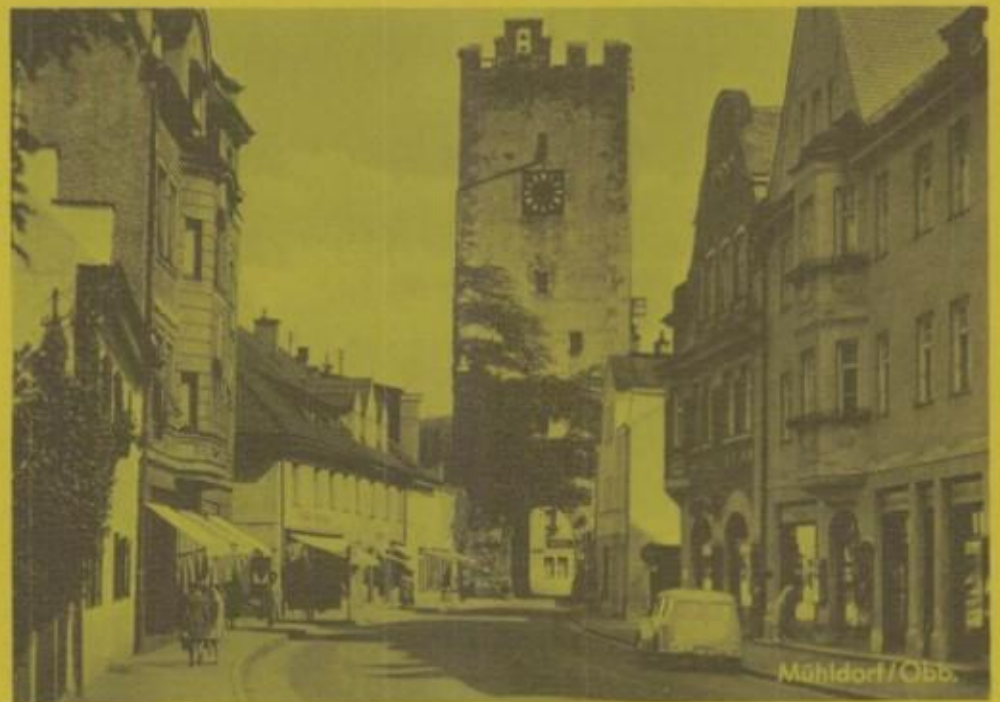

Students selected to participate in the *Foreign Exchange Program* experience actual living in a country outside of the U.S.A.

Each year South San Francisco High sends two representatives to experience this unique program. Conversely, South San Francisco High receives one student from a foreign country.

The rewards of this program are easily seen, as there is no substitute for first-hand experiences and observations. The students return from their "international living", full of ideas and knowledge which they share to the school and to the community.

This program is offered by the *International Friendship Club* on campus in conjunction with the *American Field Service*.

In addition to scholastic achievements, the participants in this program possess high citizenship qualities and an ability to handle unforeseen circumstances with dignity and poise.

Germany received Linda Magnetti by sharing their language, culture, and family living.

Harriett Bronstein exchanged ideas in England.

The *Marching Band* brings music and spirit to all events at our school and is especially busy during the football season working on new formations and new songs to promote spirit. They not only participate in sports, but also in concerts during the Christmas season and for the Spring Concert. Mr. W. Heckman is the director.

Mr. Heckman

Mr. Heckman

This is a band . . . that means music. This is a stage band . . . that means big band jazz-type music. This is South City's "*Blue Knights*" Stage Band . . . that means the greatest musical sound and most respected high school musicians in the western United States. The bluejacketed, white-tied emissaries of South San Francisco High School have won renown for themselves and their school at stage band festivals from South San Francisco to San Jose, to San Rafael, to Sacramento, to Reno. Mr. Heckman, a man who has time and again proven himself a genius at musical interpretation, directs what can be the finest, most professional high school stage band anywhere . . . and that means MUSIC.

What's a *Crucible*? Do you mean we will be allowed to run all over the stage with just nighties during *Pajama Game*? Just ask any of the *Hamlett Drama Club* members for these answers. They're sure to tell you. Again and again, many outstanding productions have been seen on South City's stage and *The Crucible* and *Pajama Game* were highlighted this year. The Hamletts have many talented people, both in acting and behind the scene work. Applauds to Mr. Crawford, club advisor.

WORTH THEIR WEIGHT IN GOLD

Ever notice that on Wednesdays South City seems to shine? The athletes and their gold medals awarded, sparkle the campus. The *Boys' Block* is a service organization at rallies and assemblies. It also provides recognition for South City's athletes. This year *Boys' Block* helped purchase the Marquee, to advertise the coming sports events.

The Society's advisors are Mr. Goins and Mr. Purcell.

Miss Simpson

To stimulate interest in girls' interscholastic sports, to develop a spirit of good sportsmanship and fair play, to provide opportunities for leadership, good competition and fulfillment of responsibilities are the goals of the *Girls' Athletic Association*.

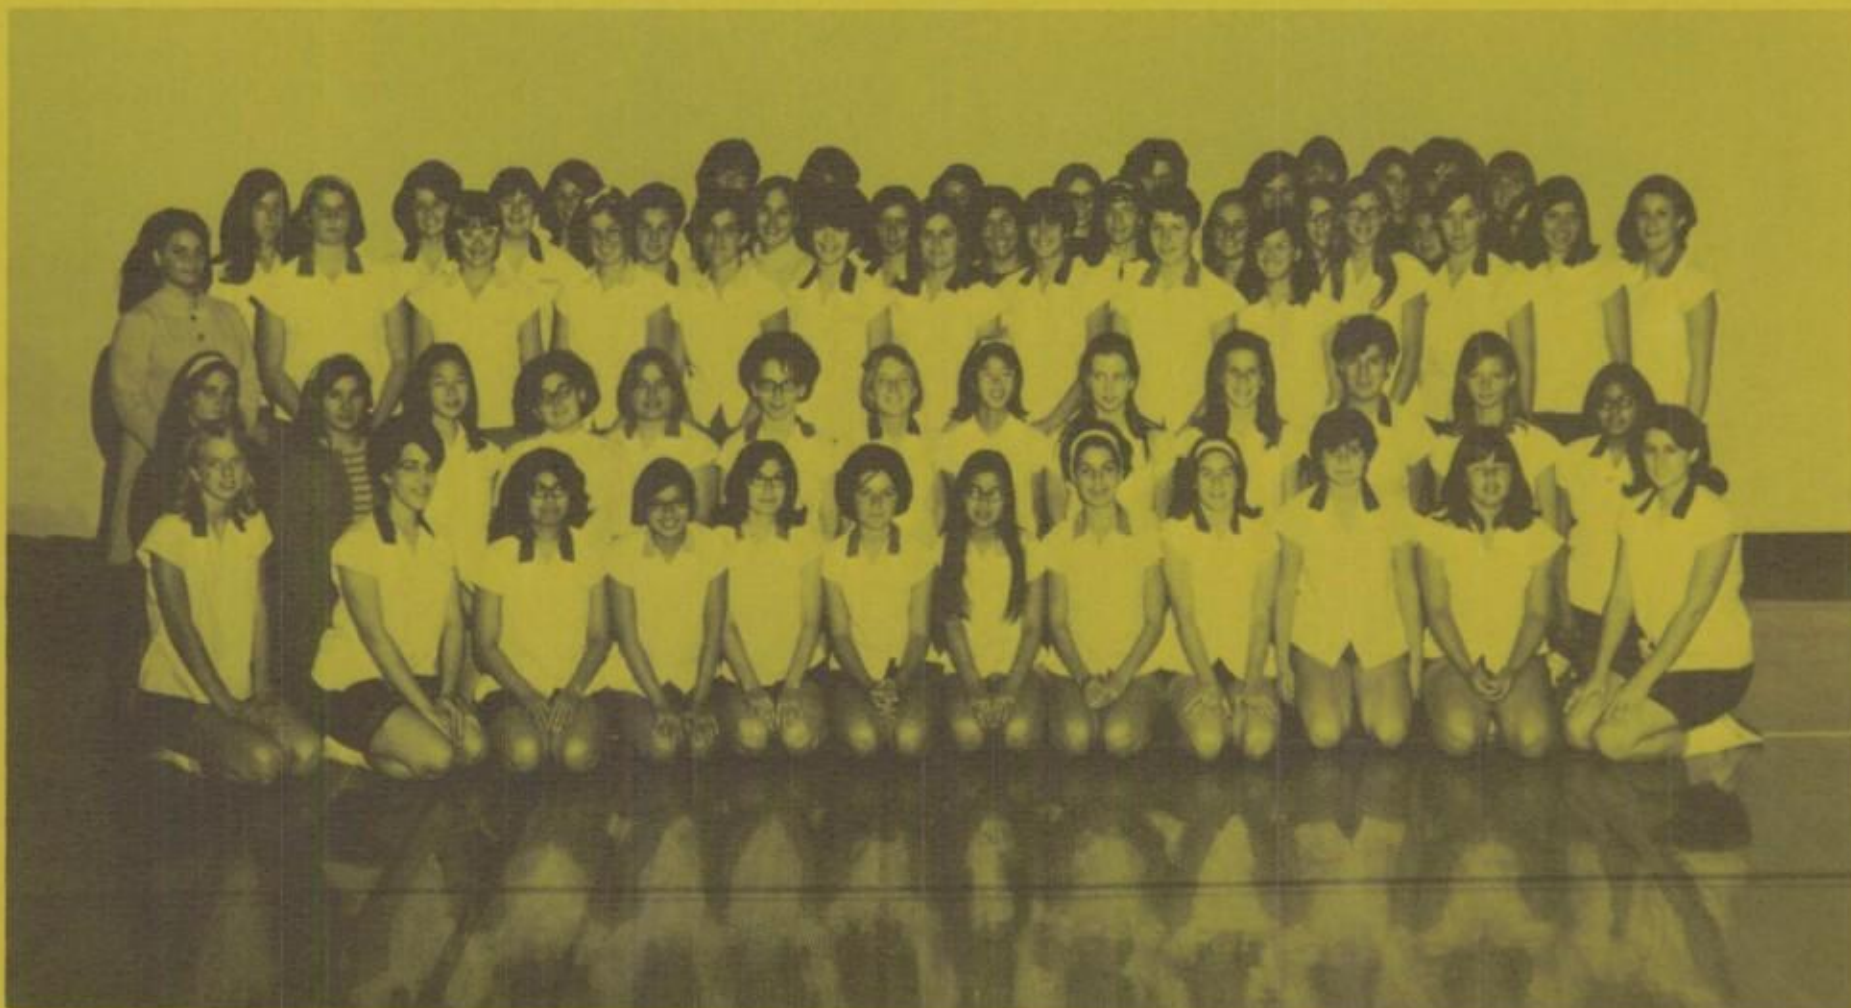

It is hoped that each girl who participates will have a better understanding of herself; both her abilities and limitations, and that she will respect these abilities in others.

It is further hoped that each girl participating will strive for a high degree of excellence physically, mentally, and emotionally—those qualities which will stand her in good stead throughout her life. Miss Simpson is the advisor to the GAA.

Mr. Puccetti, the club's advisor, and the *Model United Nations Club* make a trip to Berkeley to discuss world politics at the annual U.N. Convention for high school students. This is the high point of the year, representing foreign nations to voice their opinions on how to solve world problems!

AIM: WORLD PEACE

Mrs. de Larios

Cementing continued friendship between the U.S.A. and other countries, the *International Friendship Club* sends ambassadors to various global areas. To insure success of the program, the group undertakes the selling of doughnuts, zip code directories, and sponsoring the traditional Sadie Hawkins dance. Mrs. de Larios is the advisor.

Front: Linda Magnetti, Ulrike Muller-Link, Harriet Bronstein. *Middle:* Barbara Acosta, Carol Cullen, Yolanda Demetriff, Phyllis Dunne, Barbara Amen. *Back:* Terry Wallen, Sue Felsenthal, Julia Repetto, Rosanna Ruggeri, Barbara Leitner, Nancy Loorya.

"Comment allez-vous? Comment sa-va? Comment s'apelle-t-elle?" Participating in skits for the Foreign Language Dinner-Dance, taking in a French movie, and enjoying dinner at a French restaurant has aroused the interests of those in this club. Mrs. Black is the advisor.

Miss Haim

Anytime anyone in World History II needs a translation of some important German Battle, Miss Haim's classroom, club advisor, is the place to go. Besides helping with any foreign words, the *German Club*, together with the language clubs, participates in the Foreign Language Dinner-Dance and attends cultural events, like the ballet or opera, composed by Germans (naturally!)

IT MAKES THE GLOBE SMALL

Dennis Oberst, Sue Felsenthal, Eileen Murphy, Linda Magnetti, Lester Candee, Ulike Muller-Link, Becky Woodworth, Foster Cave.

America's rival, Russia, can be studied in language and culture at school. Touring Russian language facilities of major colleges, viewing slides of authentic cities of Russia, learning Russian folk dances are some of the aims of the *Russian Club*. To climax the year, a traditional Russian dinner is served at the home of the advisor, Mr. Parr.

Besides familiarizing students in the business world by active participation in work-shops, conferences, and conventions, the *Future Business Leaders of America* club crowded its year in activities as carwashes, candy sales, newspaper and bottle drives, a pot-luck dinner, and a skating party. The club is one of four, national high school organizations.

The hardest organization to get into on campus is *CSF*. Membership is based purely upon academic achievements. To be a member, a student needs ten points in specified subjects. An "A" is worth 3 points, and a "B" is worth 1 point on the semester grades. The club's advisor is Mrs. Hering.

The activity minded students are rewarded membership in the *Activity Honor Society*. Students elected are given a privilege card enabling them to attend field and athletic as well as social affairs at school after their graduation. These members are strong in their citizenship and need to maintain a grade average commensurate to their abilities.

Two new clubs were formed this year with basically the same purpose in mind ... to support South City's athletic events. The *Pep Club* performed well at rallies and at the football games with their flash cards. The voices of these girls (in identical outfits,) lending support to the boys, gave SSFHS many a victory. Mrs. Geissberger is the club advisor. Even with the name like the *Third Base Dugout*, this club, under Mr. Brian, does not just support the baseball teams. Wherever you find South City sports, you find these girls. The group published a Baseball information booklet, a first for the school.

The *South San Francisco Blue Knights* was founded as an extra-curricular activity in 1951; however, it was not until 1953 that the *Blue Knights* were accepted as part of the school music department.

The band participates in the C.M.E.A. Festival, and the University of Nevada Festival, and again at the San Jose State affair.

The success of the band is due to Mr. Heckman—producing the finest Stage Band west of the Rockies.

It has been the extraordinary ability of the *Blue Knights* to play extremely well a demanding, difficult type of music as though it were being played by professionals. Of five festivals, the band have been able to walk off proudly with one third place, one best-in-category, and two over-all titles.

Left: *Science Fair Grand Prize Winner*, Mark Heckman with his entry, "Theory of Flight." Mark also earned a second place in the "Best Grade" category. Steve DiPietro, first place winner in the "Best in Grade" category and third place winner in the Division area, with his entry, "Crystalline Structure."

Representing South City at various Bay-Area speech contests, the following members of the *Forensic Club*, advised by Mrs. O'Malley, took first or second places: Melinda Mitchell, Mark Heckman, Linda Magnetti, Angelito Kemp, and Barbara Dickson. Missing: Barbara Amen and Pat Mullins.

Kathy Lynch, *Betty Crocker's* award winner for homemaking.

For the first time, those students making the Honor Roll were honored with a brunch sponsored by the Student Body Government. In addition, the Award Assembly held in May will see the complete winners of all college scholarships, scholastic achievements, and department awards.

THE CRUCIBLE

The appearance of John Proctor, the main character, expertly portrayed by John Pettrini, readily staged the actual incipience of the comprehensible, dramatic portrayal of "The Crucible." Special recognition and praise is to be extended to the following: John Giannelli, Lynn Hewitt, Robert Sans, Brenda Collopy, Bob Bookbinder, Shirley Sterbenk, and John Johnson. "The Crucible" was directed by Mr. Crawford and Mike Amatore, the student assistant director. (By K. Geranios)

The "behind-the scenes" crew of the drama group do not share the spotlight as the principals on stage do; yet, these unsung heroes and heroines basically command the most important tasks needed to put a show—getting the technical, stag-staging, costumes, lighting, and designing and distributing of programs.

Because of the Iris deadline, the spring musical, "Pajama Game" is not included in this Iris year-book. At the time of printing, the group was involved in "blocking" rehearsals only and selection of the principals for the show—Lynn Hewitt, John Petrini, Harriet Bronstein, and Bob Bookbinder. Shirley Sterbank is the assistant director.

The play is combined with the music department, with Mr. Heckman providing the band music and Mr. Fuller working on the choral aspects.

Mr. L. Crawford is the director of all drama and musicals.

Mr. Anthony C. Peligrino
Iris and Warrior
Advisor

We dedicate this 1968 IRIS to a man who meets unending responsibilities and demands. We honor . . . Mr. Anthony Peligrino.

As a business teacher he introduces to his students, new methods of coping with the everyday problems of the business world. He lends a great deal of his time and effort to the Future Business Leaders of America so that they may gain further knowledge of business today. As advisor of the Warrior and Iris staffs, he expands the imaginations of his pupils into an expressive and creative world of communication.

The Student Body of SSFHS is fortunate to have a man who has been a tremendous asset to our school. The IRIS staff would like to express its appreciation for his assistance in making this yearbook a success.

It was a "brusing" evening, with the faculty tasting defeat, 60-58, at the hands of the seniors.

SENIOR-FACULTY GAME

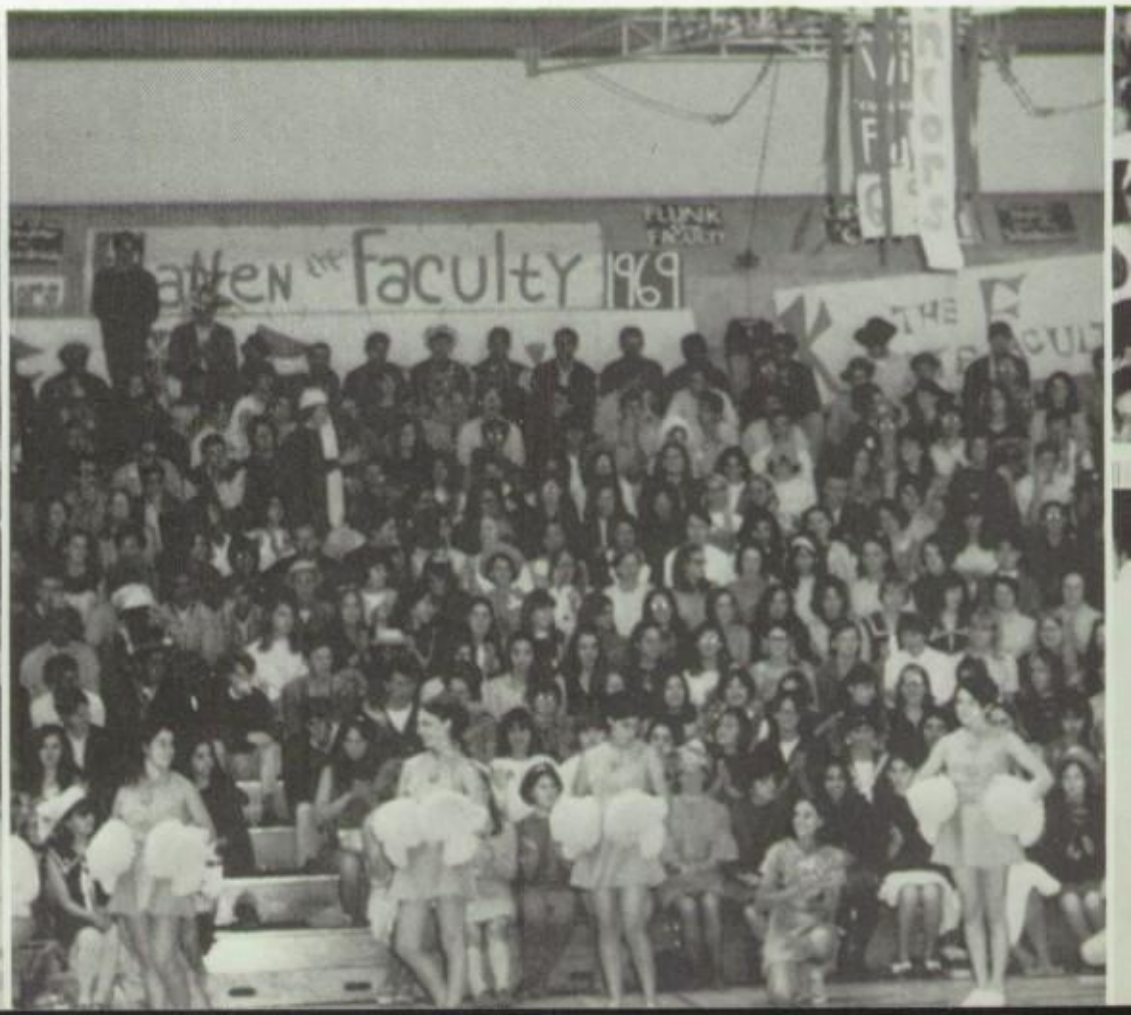

The annual Senior-Faculty saw the defeat of the faculty team, its first in 6 years. The event drew spirited students, parents, and alumni to the somewhat "mixed-up" game of basketball. During the half-time, the Senior-Faculty Pep Groups performed and the yelling contest began, with the seniors walking off with the trophy.

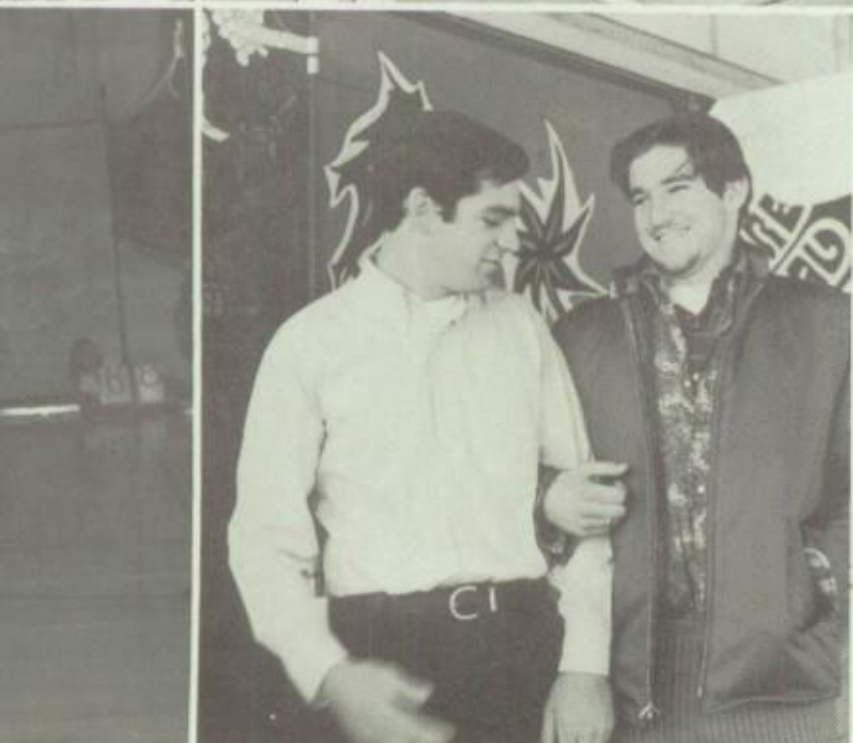

The half-time program saw the Pep Groups performed and leading the classes on to victory.

1968—

“SOCK IT TO ‘EM”

1968 a memorable year for school activities . . . dances, club meetings, rallies, spirit week, conventions, conferences, athletics; all in the tradition of “high-school” life, the Warrior life of South San Francisco High.

FBLA, UN, FRENCH, SPANISH, GERMAN, ITALIAN, RUSSIAN, ACTIVITY HONOR, CALIFORNIA SCHOLASTIC FEDERATION, STUDENT GOVERNMENT, WARRIOR, IFC, MARCHING BAND, CHORUS, DRAMA, BOYS' BLOCK, GAA, QUILL AND SCROLL, PARAMEDICAL, FORENSICS, FTA, SOPH DANCE, JUNIOR PROM, SENIOR BALL, SENIOR-FACULTY GAME, BLUE KNIGHTS, AND EXAMS, EXAMS, EXAMS, EXAMS, EXAMS, EXAMS, EXAMS, EXAMS!

Athletically, we continue to field the best teams in the area, but it wasn't always in terms of scores. The combination of collective effort, individual achievement and competitive spirit provided an atmosphere unparalleled in quality of fellowship and character.

We were proud of our teams, but it wasn't only because of their records, for we had come to know our teams in many ways. They personally represented SSFHS, and we expressed our appreciation through our interest in their welfare as well as their performances.

The Warrior football team nailed down their 4th NPL championship when they eliminated their most formidable rival, Westmoor on Nov. 10, 1967, by a score of 25-13. The Warriors then were 5-0 with one game to play, Oceana High who sported a 2-1-2 standing.

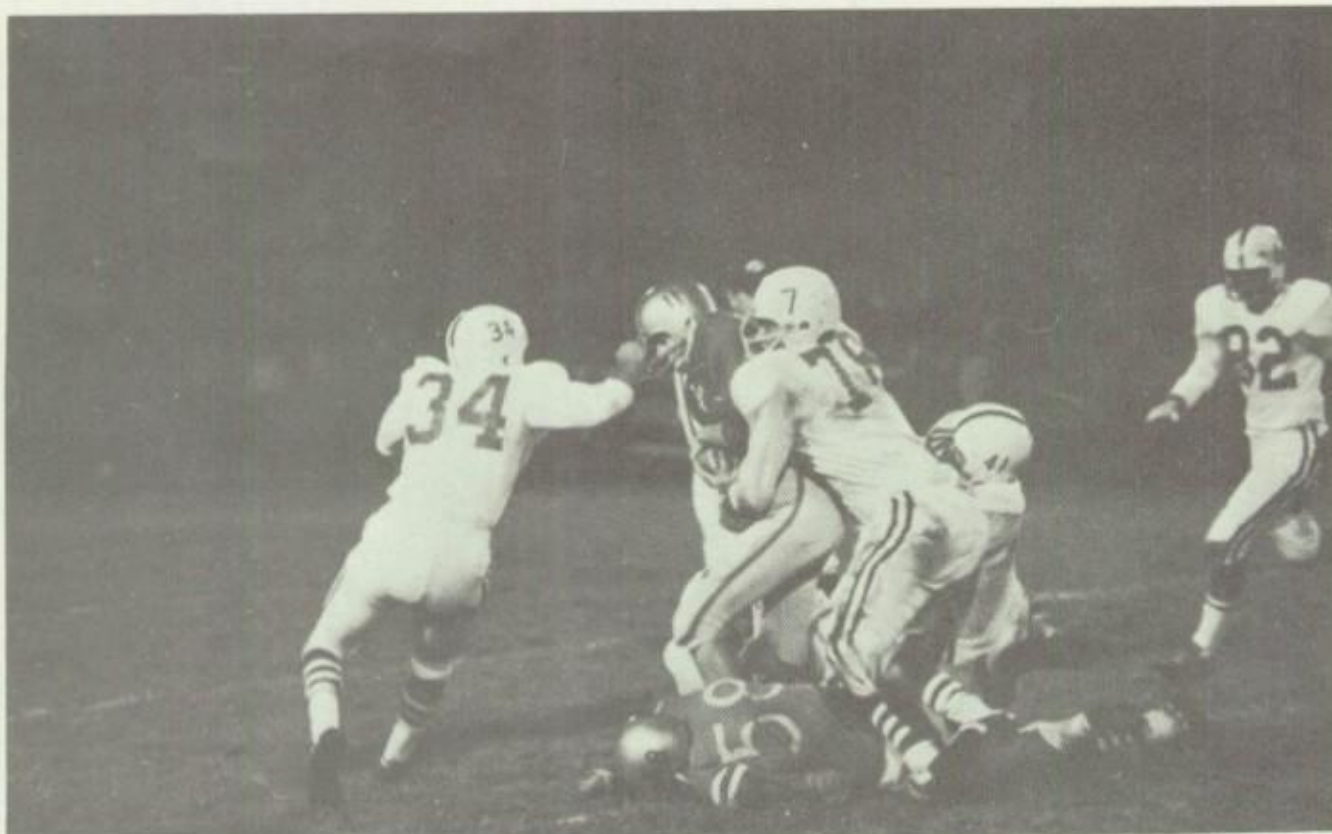

After beating Oceana, 32-0, the Warriors ended the season with a 6-0 mark and an overall, 7-2, losing to Capuchino and Terra Linda in pre-season games.

After its initial losses, the Warrior team campaigned a "get tough" attitude. With that in mind, the Warriors rolled over their opponents but not without struggling its way for all opponents were geared to beat So. City. In true championship form, however, the Warrior team let it be known that the title was not to be given up, at least not for the 1967 season.

CHAMPS !

"If championship frosh-soph teams are an indication of how well the school will do when the underclassmen make the transition to varsity, then South San Francisco's football domination is far from over," thus stated a local sportswriter at the ending of the 1967 football season.

The Braves' sophomore team have also won four straight NPL crowns! Coached by *Bud Goins* and *Sam Bonanno*, the team have captured 28 straight victories over a four year period, a feat similar to its "big brothers".

The past season saw the sophomore team gaining 276 yards per contest while yielding only 124, and scoring 192 points compared to the opposition's 39.

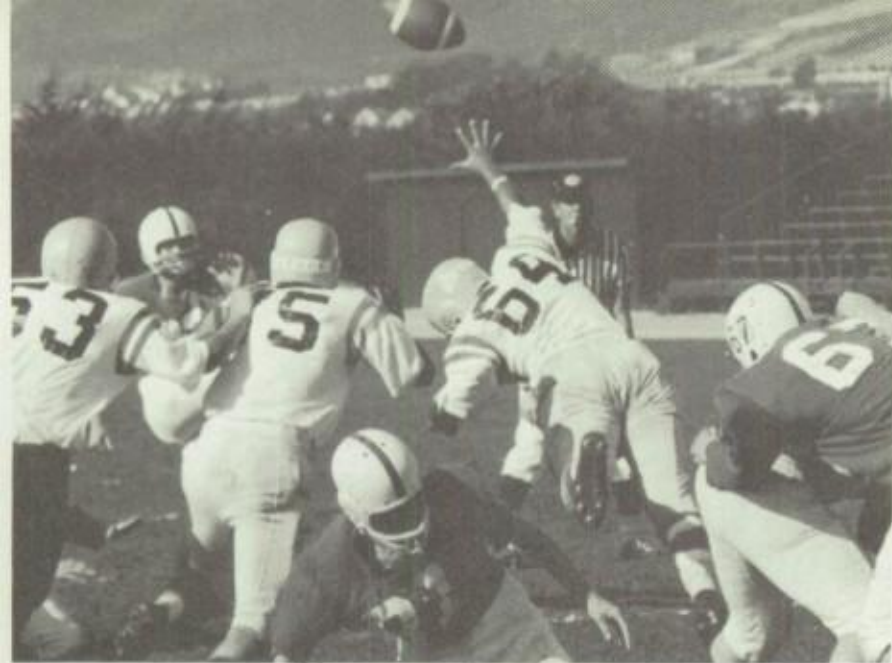

The running combination of *Leo Bernardini* and *Tim Noxon* all but devastated the opponents. Bernardini rushed for 520 yards and scored 66 points. Noxon carried for 429 yards and scored 47 points. QB Brad Brian completed 23 of 40 passes for 473 yards.

Outstanding linemen for SSF included *John Lambert*, *Greg Booth*, *Bill Foster*, *Steve Clem*, *Larry Stenson*, *Joe Hansen*, and *Steve Tonegato*.

The 1968 football season should prove an interesting and winning one for South San Francisco High.

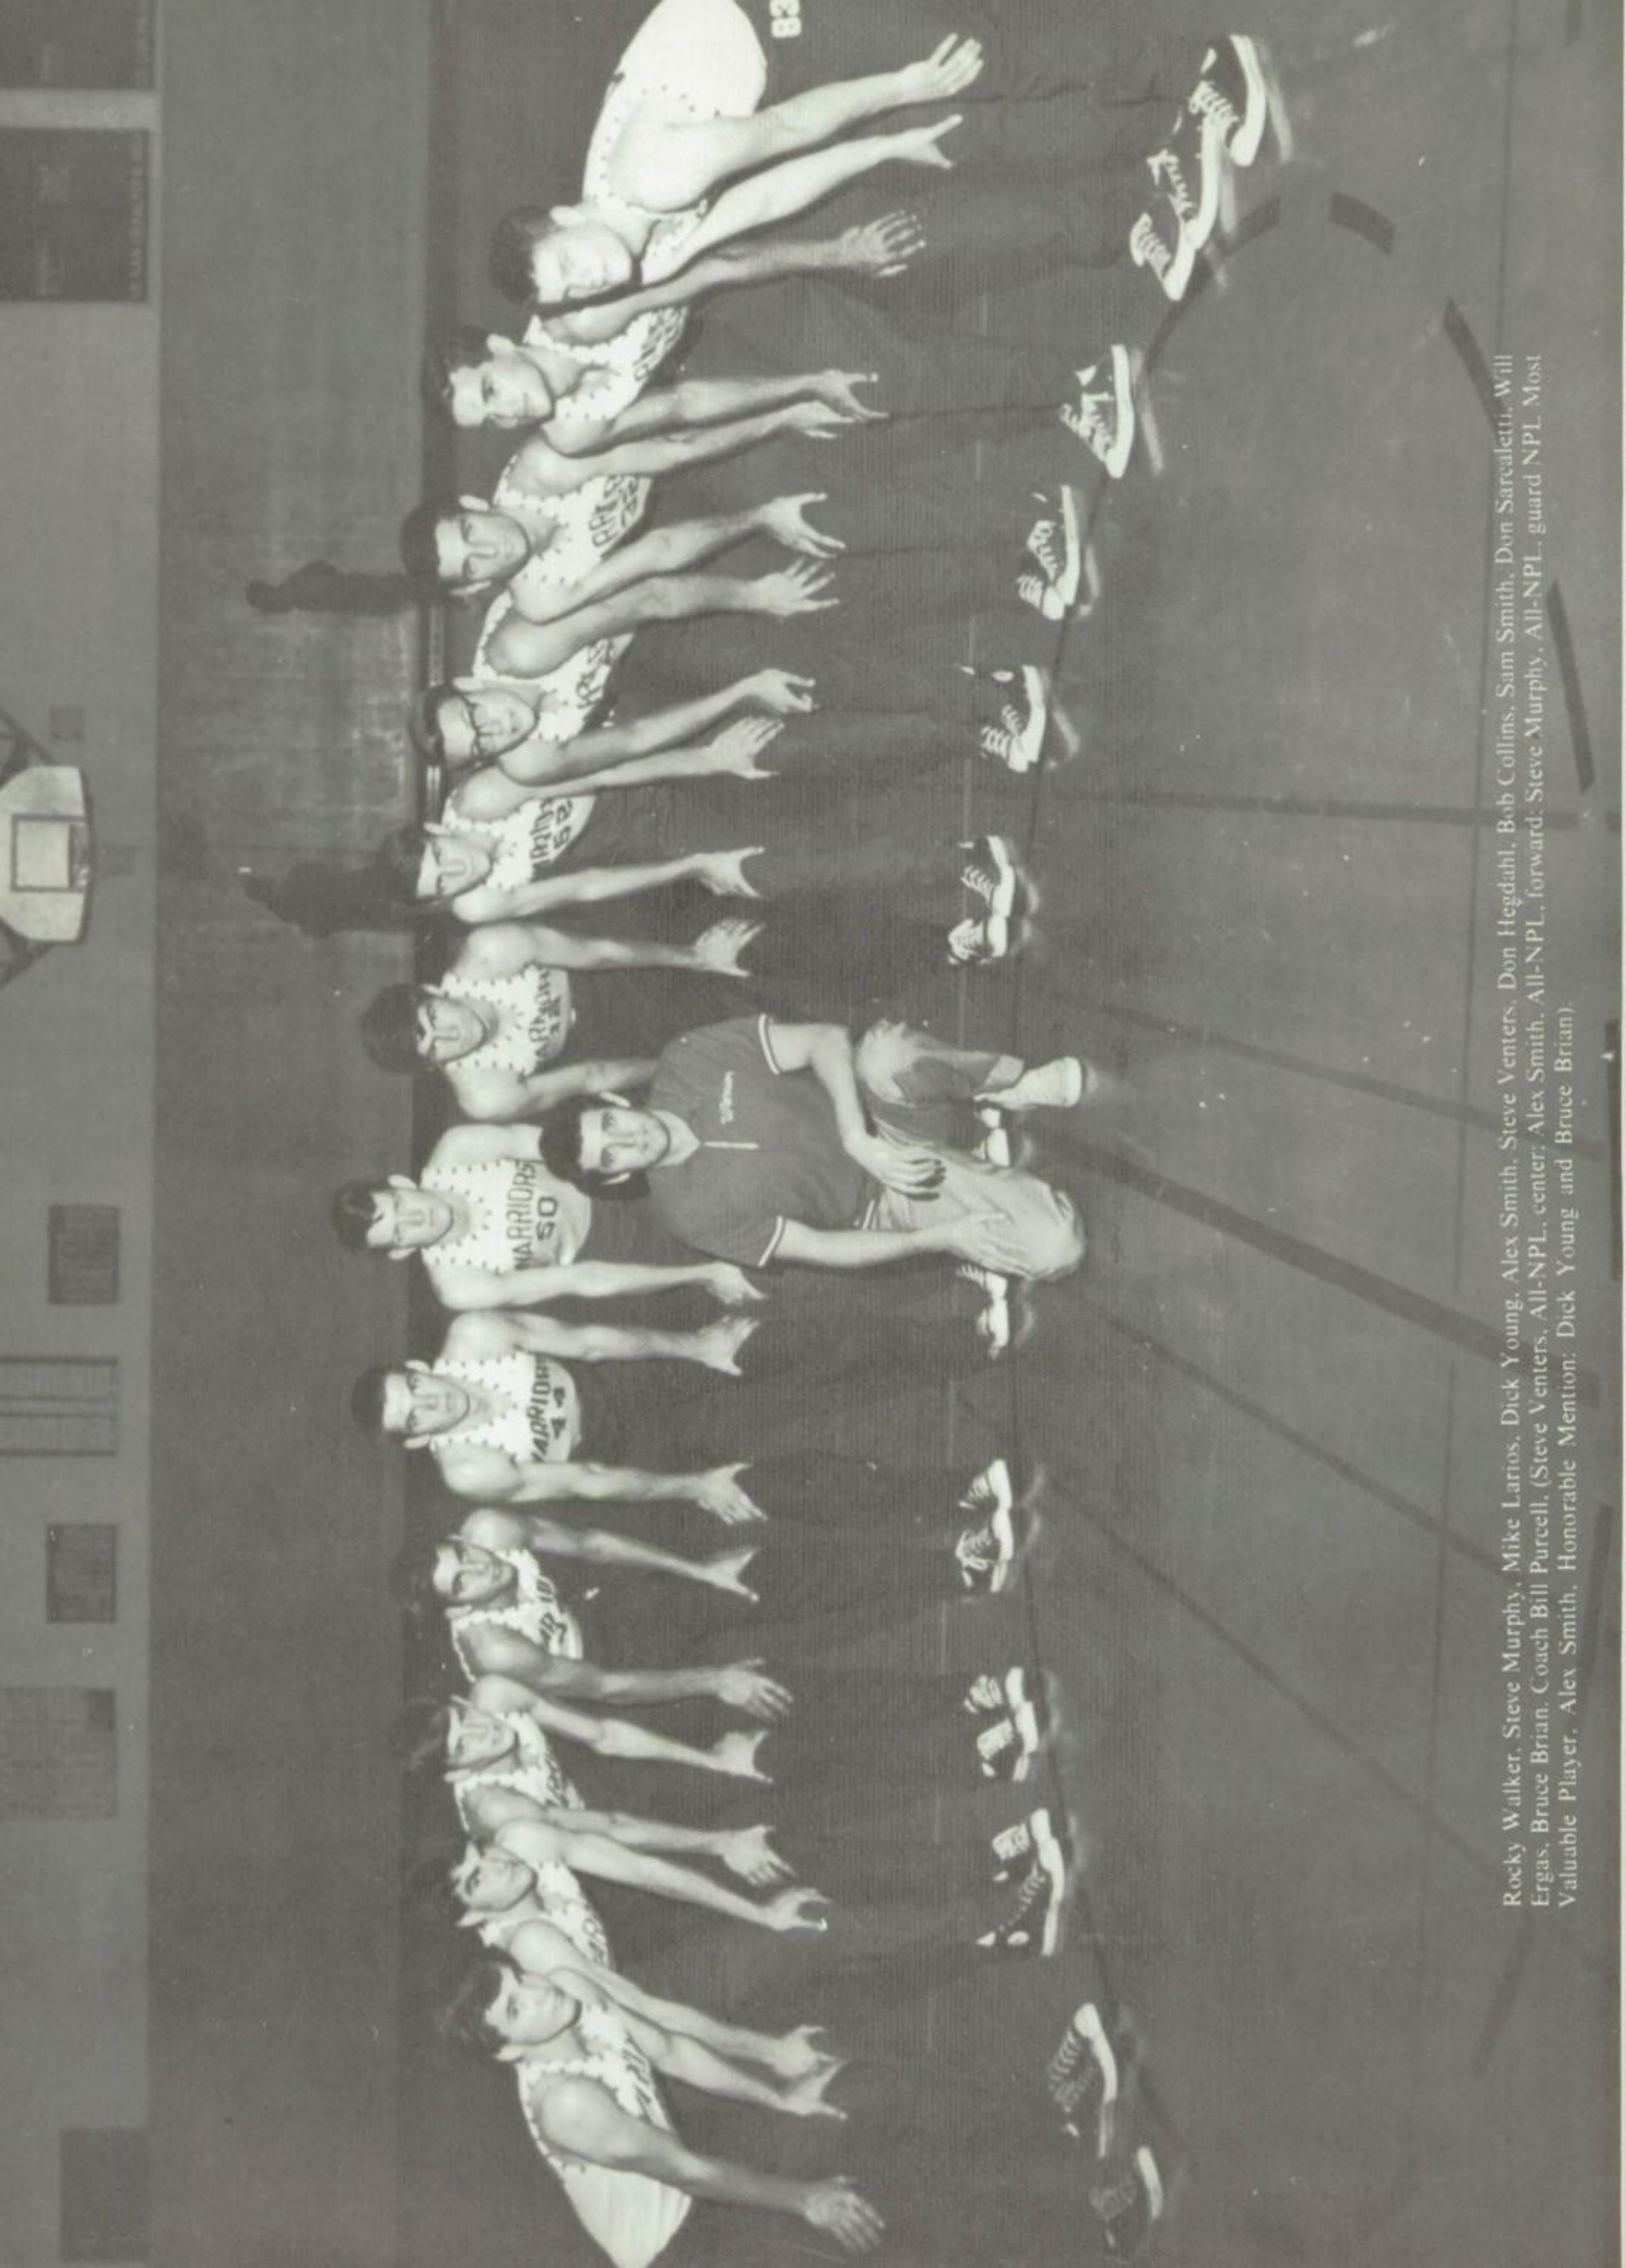

Top: S.S.F. Braves and Jefferson Indians await the snap of the ball. Middle Left and Right: defense displays hard pursuit on opposing ball-carrier; QB. Brad Brian tries to out-manuever Jefferson defenders. Bottom Left and Right: S.S.F. awaits the opening moments of the game; Soph players show championship form in gang-tackling effort.

Top: Jefferson tries in vain to block S.S.F. kick. *Middle Left and Right:* Joe Majka gains long yardage on sweep play; Soph players quickly close in on opposing ball-carrier. *Lower Left and Right:* Brad Brian hands off up the middle on a dive play; Tim Noxon attempts the point after touchdown. *Bottom Left and Right:* S.S.F. displays power action against Jefferson; Jefferson players desperately try to out-run the Brave defenders.

Coach Purcell discusses strategy with his players.

Steve Murphy and Steve Venters (co-captains) talk over rules with officials.

N.P.L.'S BEST

"Don't be a seer if you only think you know what is going to happen!"

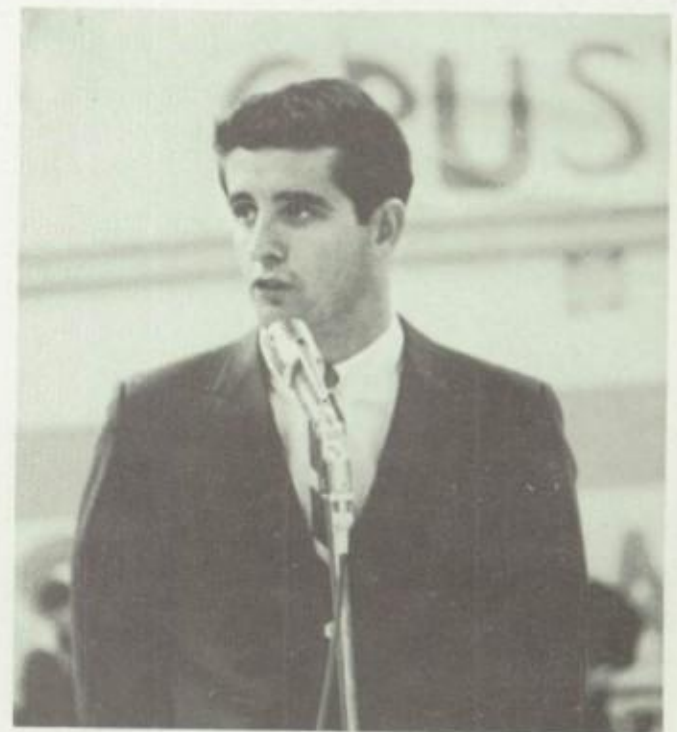

The above phrase can well apply to those prognosticators who, at the onset of the basketball season, refused to acknowledge the basketball superiority of Purcell's Warriors.

But in true Warrior tradition, the men of Purcell made the amateur forecasters swallow hard and re-write their sports copy, as the two-time champions made it three in-a-row for the NPL pennant.

As the season progressed, and the Warrior team kept winning their games, there was no doubt that the pennant would remain at South San Francisco High. The team finished the league 12-0, and an overall 18-1, losing only to Washington High at the NPL tournament. After that loss, the Warriors geared up, put in harder practice time, and fought its way in the league to win the top slot.

The team played as a team. Everyone became a star as the members showed its opponents that strength was found both in the starting team and the reserve lineup.

Mr. Purcell's knowledge of basketball is highly respected. He not only can produce a team but can take the best out of the boys to advantage. Congratulations, Mr. Purcell!

BRAVES END SEASON,

With a convincing 74-61 victory over second place Jefferson, the sophomore basketball team clinched the league Championship and happily brought home the title for coach *Gene Mullins* for his initial coaching year.

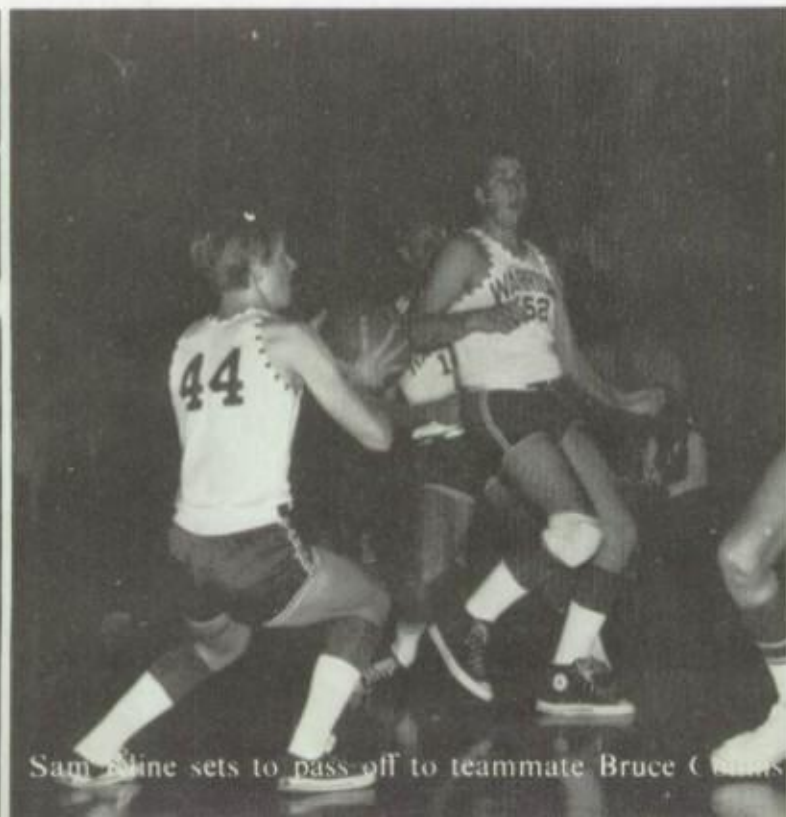

The sophomores found little trouble against its opponents all throughout the season. *Sam Kline* and *Jim Housman* were the mainstays for the team as they led the scoring and rebounding for the title race. Commendable shooting is also credited to *Tim Noxon*

and *Bruce Collins*, center. *Collins* and *Housman* both hold the season's record for most points with 28 and the same pair also have the most rebounds for one game, 20 each.

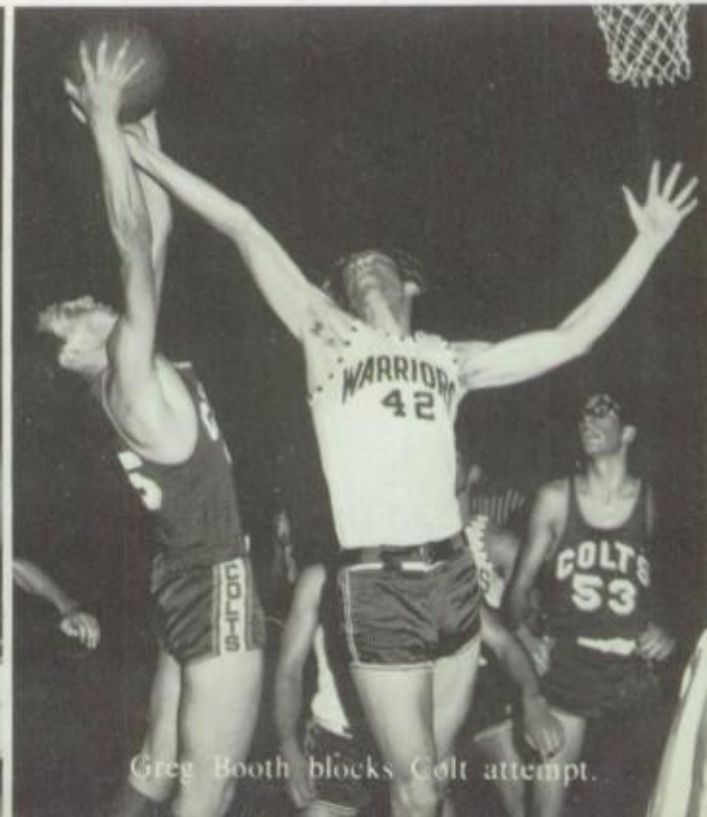

As a team the Braves have racked up a season's high of 105 points against San Rafael and also grabbed off 63 rebounds against Oceana. Twice this season they have approached the 60% shooting average.

Larry Varnum was our strongest runner all season, but had trouble matching the performance of some very strong runners in the league. Jim Wullschleger, a sophomore, showed real promise and looks to be the leader of next years team. Tim Fanelli was our steadiest runner and was close on the heels of Varnum in the finals.

A SUCCESSFUL PRACTICE SEASON

Golf coach Warfield

The student crowd for the golf matches are not as huge as those seen at the football and/or basketball games; however, the undaunted golf team members do participate in a league typical of the North Peninsula.

All the fundamentals of golfing are practiced, sharpened, and hopefully mastered . . . keen coordination, good judgment, as well as good insight.

The mere swinging of the club is an illusion for with it are needed the finest skills of a top individual money-making sport.

To date, the team is 1-1, over El Camino and losing to Oceana.

Since 1955, the records of the baseball team are impressive . . . 1st in 1967, 1964, 1963, 1959, 1958, 1957, and 1955; 2nd in 1961; 3rd in 1965, 1962; 4th in 1966; 5th in 1956; and 6th in 1960; all in the North Peninsula League.

The Warrior Baseball team went into a first place tie in 1967 with arch-rival El Camino. SSF's Bob Aurigemma, hard-throwing right-hander, shared honors as Co-North Peninsula League Players of the Year with El Camino's John Castellano. Ron Beall was named on the Honorable Mention list. Second baseman, John Dougherty was also named to the All-NPL. He batted .290 with six RBI's.

The Frosh-Soph All Stars included Steve Pennington, .357; Young, .351; and Lori Bernardini, .325. Honorable Mention was honored Rocky Walker, .333.

Front: Russ Finn, Tim Noxon, Buster Ballestrasse, George Hart, Ralph Iacini, Joe Mjaka. Back: Dough Wilburn, manager, Don McGovern, Steve Oonegato, Jim Beall, Rich Gold-

stein, Leo Bernardini, Rich Crumpton, Don Woods, Gary Ewalt, Brad Brian, Bruce Collins, and Coach Tom Martinez.

To date, the Sophomore Baseball team will undoubtedly prove to be a contender for league honors; more important, the boys on the team will supply the varsity team with continued assurance of more championships to come to SSFHS.

Colt batter takes a call strike from SSF pitcher.

Evangelist escorts Doris Rozzi—Baseball attendant.

SSF rooters show much excitement towards the game.

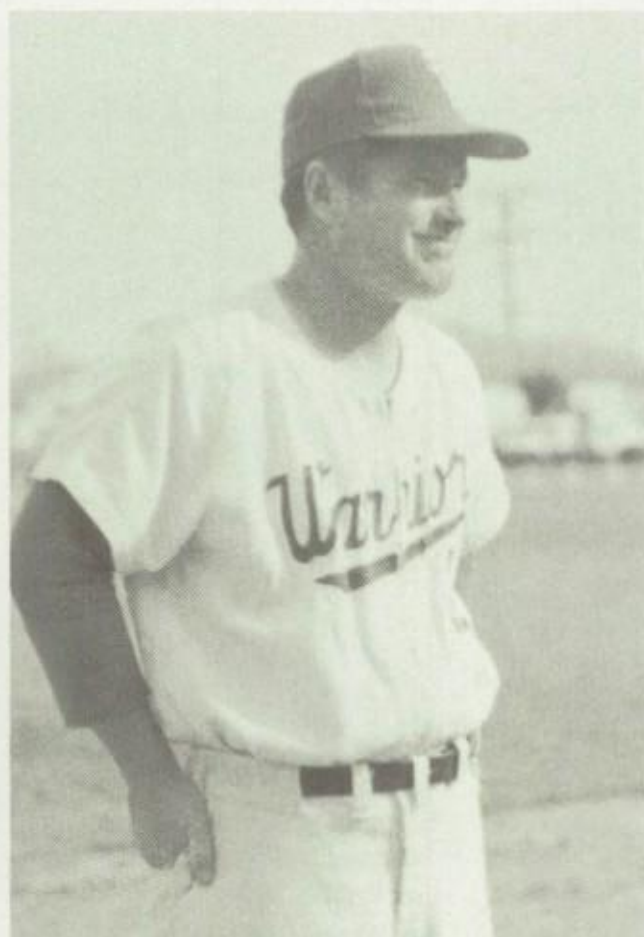

Bernardini escorts Brenda Olson—Baseball queen.

Jim Evangelist takes a mighty swing at the baseball.

4	El Camino	1
7	Oceana	0
1	Terra Nova	0
4	Westmoor	0
1	Jefferson	1
1	El Camino	1

In its final game, the Junior Varsity Soccer men pulled a 1-1 tie against El Camino to secure first place in the league. The team did not suffer a single defeat but ended the booting season with ties against Jefferson and El Camino; otherwise, the D'Angelo soccer men racked up an impressive season, blanking out Oceana, Terra Nova, Westmoor, and Jefferson in the first round of play. Next year, this group of boys should pose a big threat in the varsity league.

END SEASON, SECOND

Although the championship was not won, the Varsity Soccer team finished the season in a respectable second position and beat its most formidable foe, El Camino, 2-1, at the last game of the season. By beating the Colts, the Warrior team confiscated the perpetual trophy from its rival. The Warrior's losses were to Jefferson and Westmoor, the champs.

Mr. Parr, coach, is a dedicated, all-out man for soccer and his efforts are appreciated.

Mr. Olson's first coaching year led the grapplers to a fourth place finish in the N.P.L. Together with the preseason matches, 15 opponents were encountered by the Warriors. Victories were achieved against Oakland, Capuchino, San Carlos. Aragon, San Mateo, Menlo-Atherton, and Burlingame—schools that are not in the league. League victories include Terra Nova, Jefferson,

and Half Moon Bay. At the N.P.L. Novice Tourney three first places, two second places, three third places, and four fourth places were earned. Wrestler Darrell Page repeated his 1967 feat of remaining undefeated and advanced to the coveted State finals, accompanied by teammates Jim Evangelist and Mike Verducci.

The Water Polo teams, coached by Mr. C. Sansot, and Mr. H. Shepard, once again pursued a successful season. Daily practice and eager participation continue to put the water-polo men in top condition for their meets.

Led by Sam Smith, leading scorer, the Varsity men finished the season with a 4 win, 7 loss standing. Tough games were played against El Camino and San Francisco State J.V's, with a point difference deciding the winner. So. City won both games against El Camino but lost to San Francisco State. Commended for all-around play were Rick Keane, Tom Bonsell, Ed Toatley, John Althoff, Jim Stewart, Jim Johnston, Dough Coffey, and Sam Smith. Captains were Jim Stewart and Jim Johnston.

The JV's saw a 4 win, 6 loss record. Fine players continue to be produced as Don Appleton, goalie and forward; Gary Verhage, all-around; Mike Mikler, Jim D'Amico, Dave Brett, defensive; Roby Richard, Steve Matysik, and Mike Damonte, offense.

The administration and faculty are student, supervision, test, conference, lecture, activity, parent oriented! Besides being what they are, the staff members perform enormous tasks at school and at times, demanding ones. They must not only teach and advise, but they must be able to cope with the sensitive human relations that occur spontaneously among students. To instruct, to reprimand, and to reward are all daily tasks.

The day's end is not at 2:25 p.m. but the beginning of another day's challenge, planning for tomorrow.

Citizens of our community are elected to serve on the Board of Education of the South San Francisco Unified School District. Their main objective is to establish and follow the educational policies needed in maintaining our schools at a constant high level. This they have done exceptionally well in the many hours which they give freely and unselfishly.

The South San Francisco schools continue to make the local and national scenes because of the keen interest and deep concern by the members of the Board of Education.

SSFHS, 1967-68 saw the administration continue to tackle the numerous problems of a high school as ours. An up-to-date educational program for all students is always the emphasis at SSFHS, and the setting for many administrative discussions.

Weekly and bi-monthly meetings were held by the Administrative Council and the Faculty Senate. These groups confer for one purpose—the continued improvement of our school, be it in courses, scheduling, faculty relations, and student activities.

Having 1500 students and 80 staff members—the administration faces the awesome task well!

THE UNSUNG HEROINES

These women are indispensable to both the students and the faculty of SSFHS. This is exemplified in the numerous clerical tasks they perform for us daily. The importance of keeping records in an orderly system is extremely important, and these women have done their job efficiently. There is no doubt that these congenial women are an asset to the full function of our school.

COUNSELORS KEEP BUSY

This department might be called the complaint department of our school. The staff is constantly confronted with problems dealing with scheduling, election of courses by the students, and other matters requiring a student's decision on his preparation for his future vocation. Our school is fortunate to have a staff who is capable of answering streams of questions and coping with the matters patiently. They also spend a great amount of time advising on scholarships, loans, and college plans.

What a feeling of accomplishment to have solved a puzzling math problem! To those with an analytical mind, the math department offers the following courses: Special Education Mathematics, Elementary Functions (Trigonometry), Algebra .5, Algebra 1 and 2, Math Analysis, Basic Math, Geometry, and Consumer Math.

Under Mr. Kjelstrup, chairman, the department emphasizes exactness and correctness in all the courses. In keeping with the trend, to serve as many students as possible, Algebra .5 was introduced for the first time this past Fall.

Identical aims serve both the Boys' and Girls' physical education departments—the building of strong minds, able bodies, and good sportsmanship.

The two departments offer a diverse program for the students in practically all the sports activities needed to conduct a strong program. Among the offerings are football, basketball, track, soccer, baseball, wrestling, swimming, cross-country running, badminton, volleyball, and tennis. The girls' program are similar but with fencing, and modern and folk dancing included.

The gyms are always a flurry of student activities. In addition, the Girls' Athletic Association and the Boys' Block contribute to the program.

The Science department offers students with an inquisitive mind a chance to reveal the great technological insights discovered by man.

Science continues to be an important segment of influence in our era of space and moon exploration, and most recently, human heart transplant.

Courses which give our students a broader concept in the science field are: Physical Science II, Life Science, Biology, Biological Study and Chem Study, Advanced Biology, Basic Chemistry, Chemistry, and Physics.

EMPHASIS, SAFETY

Courses in Machine Shop, Vocational Machine Shop, Mechanical Drawing, Advanced Mechanical Drawing, Electronics and Electronic Radio, Auto Mechanics, General Metals and Wood provide an opportunity for students to develop manual dexterity as well as increase their knowledge of materials, processes and products. College preparatory students are also encouraged to take a course in industrial arts for their own personal uses.

Mr. Royle Leighton
Dept. Chairman: Industrial Art;
Member, Administrative Council

Mrs. Florajean Cleave
Art

Mr. Eugene Kubly
Art; Member, Faculty Cabinet

Through the creativity of art, pensive, happy or dismal moods may be captured permanently. The art department allows the student to reveal his self-expression in unlimited forms and drawings. The Art Show in the Spring gives the student body an opportunity to view these works. The creative courses offered are: General Art; Art II, III, and IV; Ceramics I and II; Commercial Art I and II; Contemporary Sculpture; and Arts and Crafts.

ART FESTIVAL AND CHRISTMAS TEA

Mr. Donald Stupfel
Dept. Chairman: Art;
Member, Administrative Council;
Advisor: Future Teachers Club

Measuring, mixing, combating frozen foods with real home cooking, pinning, bandaging and taking temperatures are all components for preparation in the future home. Everyone finds a need for this vital "know-how". The home economic department offers these courses to meet everyone's need: Senior Girl's Home Economics; Senior Boy's Home Economics; Foods II and III; and Clothing II and III:

SERVICES DO WELL

The efficient cafeteria staff performs their duties daily throughout two lunch periods, preparing meals for 1400 students and 75 faculty members. Not only are they continuously preparing food, but also keep the dining area spotless. The custodians have as their main objective the maintenance of our school, keeping it clean and attractive at all times and performing duties inside the classrooms. The head of the cafeteria staff is Mrs. Woodworth and Mr. Plummer is the head custodian.

CLASSES

Six hours a day, we are confined.

We created, we defeated the problem.

We're spirited and we like to have fun!

The typical scene, sit and work!

1500 strong! Thus the student body of S.S.F.H.S. is formed. We struggled to sift the relative importance from what was being said, and at the same time, relate it to what we had read the night before. We began to search the value of knowledge and the search became exciting.

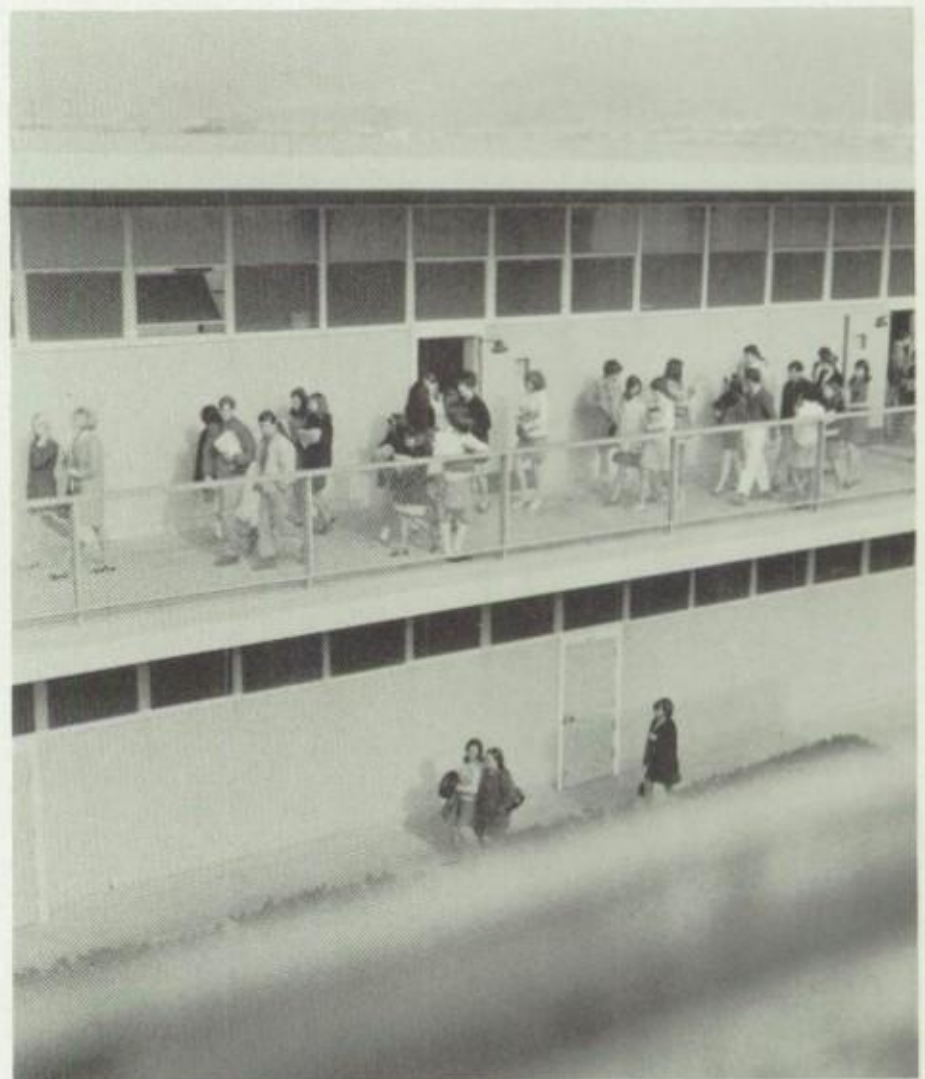

Some of us held part-time jobs. These duties enriched our sense of value toward our educational development. The relationships and experiences that were acquired by working together far exceeded any monetary gain.

We are the Warriors from South San Francisco High.

Practical assignments give the student a "feeling of" the job.

Between the bells, a time to unwind.

The daily traffic at school and the hum-drum of class work.

The Sophomore Class entered S.S.F.H.S. for the first time in the Fall, 1967. Since their entrance, the class have accomplished the following: held their class elections, sponsored their class dance, and participated in school activities as sports, student congress, and clubs.

Mr. Farmer, business teacher, is the advisor of the class. Under his advisorship, there is no doubt that the class will continue to contribute their time, talents, and energies in the two remaining years to be spent at S.S.F.H.S.

OUR STUDENTS ARE

Although heavily made up for a drama production, the faces are those we know as part of the spirit of our school. Left to right are: Harriet Bronstein, Bob Bookbinder, and Janie Schlaepfer.

The talents of the student body has been recognized in the outstanding dramatic productions produced. The multi-talents of individuals contribute to the fine school activities at our school, be it in drama, athletics, or in the class rooms. Above, left to right: John Petrini, Jan Merrill, Britt Lewis.

ACTIVE AND AGGRESSIVE

In their three years at school, the Juniors have been "go-getters". As sophomores, they claimed their fame by winning the coveted Spirit Trophy for the annual Senior-Faculty game. To enlarge their treasury, the Juniors sold calendars to prepare for the Junior Prom, early in the fall. The Big Game against Westmoor saw the Juniors winning the "best decorated" car. Mr. Sawtell, math teacher, is the active and interested advisor of the '69'ers.

"Do not go gentle into
that good night,
Old age should burn and
rave at close of day;
Rage, rage against the
dying of the light.

Though wise men at their
end know dark is
right,
Because their words had
forked no lightning
they
Do not go gentle into
that good night.
Good men, the last wave
by, crying how bright

Principal's Quotation to a Graduating Class

"1946—As the years roll by we hope you will look back to the good old days spent at SSF—some of which are pictured in this book. We trust the experiences here have not only been enjoyed, but fruitful, and that this will become increasingly apparent with the passage of time. We earnestly hope that the years to come bring a realization of all your dreams.

Graduation is not the end, but the beginning. We bid you Godspeed as you set your new course. May success, goodwill, and happiness be with you always."

Mr. Louis J. Bagnall
Principal

Their frail deeds might
have danced in a green
bay,
Rage, rage against the
dying of the light.

Wild men who caught and
sang the sun in flight,
And learn, too late, they
grieved it on its way,
Do not go gentle into that
good night . . . "

Dylan Thomas

A TRIBUTE

The students and faculty and the community of South San Francisco mourned the sudden and untimely death of *Principal Louis J. Bagnall* on January 22, 1968.

Mr. Bagnall's association with the South San Francisco School District spanned more than thirty years of service, first as a teacher of business education, then as an Assistant Principal and Director of Adult Education, and finally as principal of South San Francisco High School.

Mr. Bagnall graduated from Fresno State College and received his master's degree from the University of Southern California.

"For thirty years Louis Bagnall taught all of us who worked and studied at South San Francisco High School. As a classroom teacher, as a coach, and as a principal he gave the best of himself to us. He knew that we learn best by example, and he held himself to the highest standards of integrity and responsibility . . . we have lost more than most of us will fully realize . . . his strength, his kindness, and his humility have guided and protected us in ways we did not see . . . We shall have to be stronger and wiser now that he is gone."

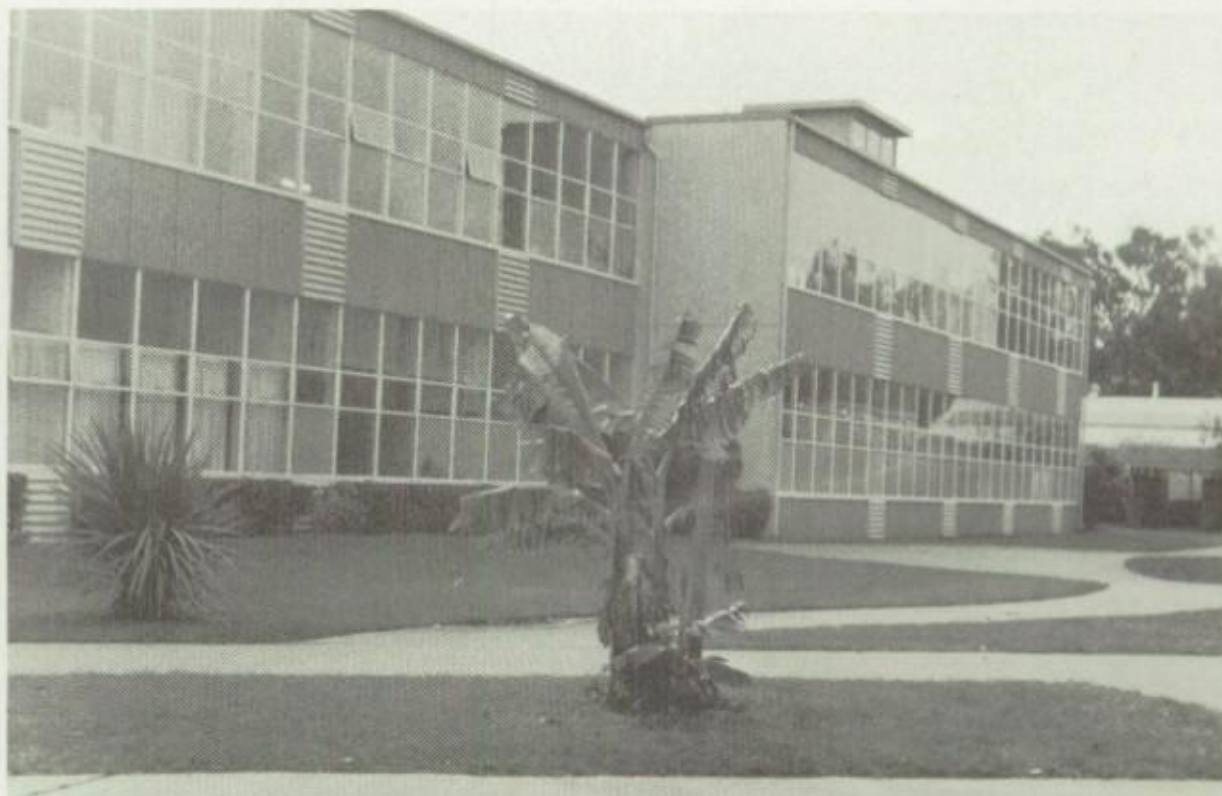

Mrs. E. de Larios, Assistant to the Principal.

Mr. Louis J. Bagnall, 1912-1968

"And therefore never send to know for whom the bell tolls; it tolls for thee."

The 1968 IRIS staff thanks . . .

the *Office Staff*, for all the materials and information needed to complete the yearbook; *the teachers*, for cooperating by letting students out of their classes when needed; *Don Bosco Studios* for the fine photographs and for shooting the many, many pictures, and for the many phone calls necessary to scheduling of pictures, and for mailing the pictures on time (sometimes, anyway!); *Mr. Gil Duncan*, American Yearbook representative, for his patience, understanding, advice, and for his professional approach to all our problems; to the *American Yearbook Company*, for making sense of what we are trying to do, and for correcting our nonsenses, poor copy, poor identification, and for allowing us a deadline that was a real tough one to meet.

THANKS, EVERYONE!

So the most handsome
